An Act To Encourage Fishing for Individuals with Disabilities

Fiscal Note for House Amendment " " to Committee Amendment "A"

Sponsor: Rep. Strang Burgess of Cumberland

Fiscal Note Required: Yes

Fiscal Note

Minor revenue decrease - General Fund

Fiscal Detail and Notes

This amendment allows persons with developmental disabilities to receive a complimentary fishing license, which would slightly increase the number of persons eligible from current law, which limits it to persons with mental retardation. It is expected that only a small number of individuals would take advantage of this opportunity and an even smaller number of those would have purchased fishing licenses without this change, resulting in a minor decrease in General Fund revenue.
