

125th MAINE LEGISLATURE

LD 1296

LR 794(03)

An Act To Amend the Maine Medical Use of Marijuana Act To Protect Patient Privacy

Fiscal Note for Bill as Engrossed with:

C "A" (H-615)

Committee: Health and Human Services

Fiscal Note

Current biennium revenue decrease - Other Special Revenue Funds

Minor cost increase - General Fund

Fiscal Detail and Notes

The bill's provisions making patient registration voluntary would likely result in a reduction in revenue collected by the Department of Health and Human Services that cannot be determined at the current time. Because the Medical program is required to be self-funded, the department would need to decrease costs or increase other fees as a result. The additional cost to the Department of the Attorney General can be absorbed utilizing existing budgeted resources.
