Fiscal Detail and Notes

This amendment eliminates the transfers from the Tax Relief Fund and the Maine Budget Stabilization Fund from the bill, which increases the General Fund cost of the bill by \$25,000,000 in fiscal year 2014-15. The amendment also includes deappropriations that eliminate funding for a number of Department of Health and Human Services programs. The impact of these deappropriations on these and other department programs cannot be determined at this time.
