Potential current biennium revenue increase - Other Special Revenue Funds

Fiscal Detail and Notes

The Department of Health and Human Services will incur one-time additional costs estimated to be \$16,150 in fiscal year 2014-15 for computer programming costs related to the Controlled Substances Prescription Monitoring Program. No additional funding is provided in this bill. If the department is unable to find sufficient funds internally, it is directed to seek and accept outside funding for the programming costs.

Additional costs to the Department of Professional and Financial Regulation to provide the required information can be absorbed within existing budgeted resources.
