### Fiscal Detail and Notes

This resolve directs the Emergency Medical Services Communications Bureau within the Public Utilities Commission (PUC) to review the protocols and procedures necessary to ensure the delivery of crisis response services under the State's E-9-1-1 system and report by February 1, 2022. The PUC has indicated that this review will require the use of outside consulting services. The resolve includes a one-time allocation of \$100,000 in fiscal year 2021-22 for consulting services. The Emergency Services Communication Bureau has sufficient cash available to fund the additional allocation.
