Fiscal Detail and Notes

This bill directs the Efficiency Maine Trust (EMT) to establish an industrial climate transition initiative to develop and support climate change mitigation strategies designed to reduce greenhouse gas emissions at industrial facilities in the State. The bill includes a General Fund appropriation of \$500,000 in fiscal year 2022-23 to the EMT to be deposited in the Regional Greenhouse Gas Initiative Trust Fund within the EMT to fund the establishment and activities of the industrial climate transition initiative.
