**Whereas,** public access to information about concealed handgun permits that does not include information that personally identifies permit holders is consistent with the underlying principles of the Freedom of Access Act relating to understanding and monitoring how the government carries out its responsibilities; and

**COMMITTEE AMENDMENT**

2 therefore,

3 **Be it enacted by the People of the State of Maine as follows:**

4 **Sec. 1. 25 MRSA §2006**, as amended by PL 2011, c. 662, §15, is repealed and the

8 for a permit to carry concealed handguns and documents made a part of the application,  
9 refusals and any information of record collected by the issuing authority during the  
10 process of ascertaining whether an applicant is of good moral character and meets the  
11 additional requirements of sections 2003 and 2005 are confidential and are not public  
12 records for the purposes of Title 1, chapter 13, subchapter 1. The applicant may waive  
13 this confidentiality by written notice to the issuing authority. All proceedings relating to  
14 the issuance, refusal, suspension or revocation of a permit to carry concealed handguns  
15 are not public proceedings under Title 1, chapter 13, unless otherwise requested by the  
16 applicant.

17 **2. Permanent record of permit.** The issuing authority shall make a permanent  
18 record of each permit to carry concealed handguns in a suitable book or file kept for that  
19 purpose. The record must include the information contained in the permit itself. The  
20 record is confidential except that the following information about each permit holder is  
21 not confidential and is a public record:

- 22 A. The municipality of residence;  
23 B. The date the permit was issued; and  
24 C. The date the permit expires.

27 **Sec. 2. Statistical information; plan; report.** In order to provide meaningful  
28 statistical information about concealed handgun permits in this State, the Chief of the  
29 State Police shall prepare a plan that meets the requirements of this section. The Chief of

31 and Public Safety no later than January 15, 2014 that contains the plan along with any  
32 proposed implementing legislation. The Joint Standing Committee on Criminal Justice  
33 and Public Safety may report out legislation to the Second Regular Session of the 126th  
34 Legislature upon receipt of the report. The plan must include the following elements.

37 information must include at a minimum the following data:

- 38 A. About the permitting process:  
39 (1) The number of permit applications;

8 concealed handgun permits and the issuing process, as long as personally identifying  
9 information about applicants or permit holders is not disclosed as a public record. The  
10 plan must include appropriate reporting periods.

11 **2. Permit.** The Chief of the State Police shall review the form of the permits used  
12 by issuing authorities and determine if a single model permit form would be desirable.  
13 The plan may include a model permit, which may include the integration of a photograph.  
14 The plan may recommend the use of a model permit as either advisory or mandatory for  
15 all issuing authorities.

16 **3. Statewide information.** The plan must include a process for identifying and  
17 collecting information from all issuing authorities to provide complete statewide  
18 statistical information as required in subsection 1. The Chief of the State Police shall  
19 invite issuing authorities to provide suggestions and comments. The plan may eliminate  
20 the responsibility of municipal issuing authorities to make information available to the  
21 public if the identical information is available from a central state source. The plan must  
22 provide for the public availability of statistical information and must provide for an  
23 annual report of statewide statistical information.

24 **4. Additional information and recommendations.** The Chief of the State Police  
25 may include in the report any additional information or recommendations that the chief  
26 determines may be useful to the Legislature in addressing issues concerning concealed  
27 handgun permits.

28 **Emergency clause.** In view of the emergency cited in the preamble, this Act takes  
29 effect April 30, 2013.'

30 **SUMMARY**

31 This amendment is the majority report of the Joint Standing Committee on Judiciary.

32 This amendment replaces the bill. It clarifies the current law concerning the  
33 confidentiality of concealed handgun permit information. It also provides that the  
34 permanent record that an issuing authority is required to make when issuing a concealed  
35 handgun permit is confidential, except that the municipality of residence of the permit  
36 holder, the date the permit was issued and the date the permit expires are public. The  
37 confidential information may be disclosed for criminal justice purposes or permitting  
38 purposes to law enforcement officers or issuing authorities.

39 The amendment directs the Chief of the State Police to develop a plan for the  
40 availability of statistical information about concealed handgun permits and the issuing

1 process. The Chief of the State Police shall submit a report to the Joint Standing  
2 Committee on Criminal Justice and Public Safety no later than January 15, 2014 that  
3 contains the plan along with any proposed implementing legislation. The Joint Standing  
4 Committee on Criminal Justice and Public Safety may report out legislation to the Second  
5 Regular Session of the 126th Legislature upon receipt of the report. The plan must  
6 address specific data elements, whether a model permit would be desirable and a process  
7 to collect and make available statewide statistics and may include any other information  
8 or recommendations concerning issues about concealed handgun permits.

9 This amendment includes a mandate preamble to exempt the identified mandate on  
10 local government issuing authorities from the finding requirement.

11 This amendment provides an effective date of April 30, 2013, which is immediately  
12 after Resolve 2013, chapter 1 is repealed.
