4 **1.** A person is guilty of female genital mutilation of a minor if:

5 A. The person for nonmedical purposes circumcises, excises, mutilates or infibulates,

10 the circumcision, excision, mutilation or infibulation, in whole or in part, of the labia

13 C. The person removes or causes or permits the removal of a female person under 18

23 infibulation.

24 **4.** It is a defense to prosecution under this section that the circumcision, excision,
25 mutilation or infibulation was done for purposes related to the health of a female person
26 under 18 years of age as determined to be necessary by a physician licensed pursuant to
27 Title 32, chapter 36 or 48.

28 **SUMMARY**

29 This bill makes it a Class B crime to perform female genital mutilation on a female
30 person under 18 years of age for nonmedical purposes. The bill also makes it a Class B
31 crime for a parent, guardian or person who has immediate custody of a female person
32 under 18 years of age to consent to or permit female genital mutilation of that female
33 person for nonmedical purposes or for a person to remove the female person from the
34 State for such a procedure. Under the provisions of the bill it is not a defense that the
35 female person, or the parent, guardian or person who has immediate custody of the
36 female person, consented to the procedure but it is a defense that the procedure was done
37 for medical purposes.
