SENATE
131ST LEGISLATURE
FIRST SPECIAL SESSION

Amend the bill by inserting after section 1 the following:

'Sec. 2. 12 MRSA §10206, sub-§11, as enacted by PL 2015, c. 245, §1, is amended to read:

11. Species Fish and Wildlife Management Education Fund. The department shall deposit $1 of every hunting license and trapping license fee collected pursuant to sections 11109, 11109-A and 12201 in a separate account within the department, to be known as the Species Fish and Wildlife Management Education Fund. The fund is nonlapsing. The department shall use money in the fund on an annual basis to educate the public on the management of game species of fish and wildlife and to communicate with the public about department programs. The department may contract with a private entity to provide this education. Education provided pursuant to this section must include information about how hunting and fishing helps to manage specific species. The department may continue its activities pursuant to this subsection during ballot initiative campaigns concerning fish and wildlife issues.'

Amend the bill by striking out all of section 3.

SUMMARY

This amendment removes the requirement that a person involved in a hunting incident or a watercraft, snowmobile or all-terrain vehicle crash submit to a mandatory chemical test and removes references to that requirement.

The amendment renames the Species Management Education Fund the Fish and Wildlife Management Education Fund and allows funding to be used for education on the management of fish and wildlife and to communicate with the public about department programs. The amendment also removes the requirement in current law that education provided under the fund must include information about how hunting and fishing help to manage specific species.
