To: The Co-Chairs and Members of the Judiciary Committee:

At the January 27, 2021 meeting of the Maine Indian Tribal-State Commission (MITSC), An Act to Provide State Recognition for the Kineo Band of Maliseet Indians, LD 71, was discussed by the Commission. A motion was made and approved that on behalf of MITSC the Chairperson and Managing Director would submit this statement to the Judiciary Committee stating that, based on the Commissioners' understanding and consideration of Tribal objections to the bill, the Commissioners voted unanimously that it is the sense of MITSC that the objections by the Tribes to the passage of LD 71 should be respected by the Maine Legislature.
