

§1026-M. Regional Economic Development Revolving Loan Program

1. Established. The Regional Economic Development Revolving Loan Program, referred to in this section as the "program," is established to provide financial assistance to businesses that need assistance in order to create or retain jobs. The authority shall administer the program on behalf of participating eligible economic development corporations or entities. The Regional Economic Development Revolving Loan Program Fund, referred to in this section as the "fund," is established as a revolving fund, into which must be deposited all amounts appropriated to the program, interest earnings on the fund and any amounts repaid to the program by participating corporations. Amounts in the fund must be used by the authority for purposes authorized in this section. The authority shall reserve an amount not less than \$300,000 for loans for quality child care projects and may make loans directly to those projects.

[PL 1999, c. 401, Pt. OOO, §1 (AMD).]

2. Eligible corporations. The fund is open to local, regional and statewide nonprofit or governmental economic development corporations or entities that are capable of providing financial assistance to businesses in order to create and protect jobs, as well as revitalize downtowns and build strong communities and a sustainable economy, referred to in this section as "corporations." In the case of loans to quality child care projects, the authority may also provide loans directly to eligible borrowers. To be eligible for assistance from the fund:

A. A corporation must apply to the authority to participate in the fund. The application must describe the corporation and its funding sources, the region or regions it serves, its methods and criteria for qualifying borrowers, including any targeted lending and economic development strategies, its expertise in management assistance and financing of small and emerging businesses, the method by which it will leverage funds from other sources in an amount at least equal to 2 times the amount requested from the fund and other information the authority determines necessary; [PL 2013, c. 605, §1 (AMD); PL 2013, c. 605, §9 (AFF).]

B. A corporation must have a strategy for the creation and retention of jobs, an effective small business marketing and technical assistance plan and enough expert assistance available to it to underwrite, document and service loans and assist its clients or it must have a strategy for real estate development including commercial and mixed-use real estate and community facilities; [PL 2013, c. 605, §1 (AMD); PL 2013, c. 605, §9 (AFF).]

C. The corporation must be determined by the authority to be able to prudently and effectively administer a direct loan fund and to coordinate with other business assistance programs and employment training and social assistance programs; [PL 1999, c. 401, Pt. OOO, §1 (AMD).]

D. The corporation must propose performance measurements and goals and a process for monitoring compliance with proposed measurements and goals. The authority shall assist corporations in developing loan or equity-like debt underwriting and administrative capacity and in portfolio monitoring and servicing and may establish one or more advisory boards or committees to assist corporations; and [PL 2013, c. 605, §1 (AMD); PL 2013, c. 605, §9 (AFF).]

E. A child care project must apply to the authority or to a corporation and meet the eligibility criteria for a borrower. [PL 1999, c. 401, Pt. OOO, §1 (NEW).]

[PL 2013, c. 605, §1 (AMD); PL 2013, c. 605, §9 (AFF).]

3. Disbursements from fund. If an application is approved, the authority shall determine the amount to be disbursed to the corporation, taking into account:

A. The size of the region or regions served by the corporation and the expected demand for loan funds in that region or those regions; [PL 2013, c. 605, §2 (AMD); PL 2013, c. 605, §9 (AFF).]

B. The demand for funds from other eligible corporations in relation to the total amount available in the fund; and [PL 1993, c. 722, Pt. C, §1 (NEW); PL 1993, c. 722, Pt. C, §2 (AFF).]

C. Whether an eligible corporation will serve statewide or will serve a geographic area or segment of potential business borrowers not served by other applicants. [PL 2013, c. 605, §2 (AMD); PL 2013, c. 605, §9 (AFF).]

A corporation may not receive more than \$3,500,000 from the fund. Funds must be disbursed directly to and retained by the eligible corporation in accordance with the contract between the corporation and the authority. Funds must be disbursed to the corporation in the form of a loan or a grant. The authority may, in its discretion, disburse fund amounts in one lump sum or periodic disbursements.

[PL 2013, c. 605, §2 (AMD); PL 2013, c. 605, §9 (AFF).]

4. Contract. A corporation that has been approved for participation in the program may enter into a contract with the authority. The contract governs the administration of the program and the use of funds. The contract must provide that a corporation shall, at a minimum, conform to the following terms and conditions:

A. The corporation shall certify that it will use funds only for eligible purposes; [PL 1993, c. 722, Pt. C, §1 (NEW); PL 1993, c. 722, Pt. C, §2 (AFF).]

C. An officer or employee of the corporation or a member of its credit committee may not participate in any way in, or have any influence over, a decision on a project in which that officer, employee or member has a direct or indirect personal financial interest; [PL 1993, c. 722, Pt. C, §1 (NEW); PL 1993, c. 722, Pt. C, §2 (AFF).]

D. If the corporation breaches its contract with the authority or ceases to operate a loan program in substantial conformance with its proposal to the authority, the authority may withhold further funding and may require repayment of any undisbursed loan funds and loan repayments to the authority; and [PL 1993, c. 722, Pt. C, §1 (NEW); PL 1993, c. 722, Pt. C, §2 (AFF).]

E. Other terms and conditions as the authority determines appropriate. [PL 1993, c. 722, Pt. C, §1 (NEW); PL 1993, c. 722, Pt. C, §2 (AFF).]

[PL 2009, c. 131, §3 (AMD).]

A corporation may not use any money disbursed from the fund by the authority for administrative expenses, but may charge a commitment fee of up to 2% and may use interest earnings not to exceed 7% of each loan annually on loans to cover reasonable operating costs, including loan fund management, technical assistance and education. The authority shall review and approve a corporation's administrative expenses on an annual basis. The authority may establish by rule reasonable administrative fees for its administration of the fund.
