§604-A. Flexibility for combining election ballots

Notwithstanding any other provision of this Title, the Secretary of State may make suitable arrangement for the printing of candidate, referendum and municipal election ballots on a single ballot or ballot card used in conjunction with electronic voting systems or for the printing of candidate and referendum ballots on a single ballot for paper ballot voting systems. The Secretary of State may only allow such a combination if the Secretary of State finds that it is in the interest of the election process and that it will not contribute to voter confusion or unreasonable administrative difficulties. [PL 1997, c. 436, §79 (AMD).]
