

§4317-E. Coverage for emergency supply of chronic maintenance drugs

1. Definition. As used in this section, unless the context otherwise indicates, "chronic maintenance drug" has the same meaning as in Title 32, section 13786-F, subsection 1.

[PL 2021, c. 566, §1 (NEW).]

2. Coverage required. A carrier offering a health plan in this State must make available coverage for an emergency supply of a chronic maintenance drug dispensed pursuant to Title 32, section 13786-F in the same manner as coverage for other drugs under the health plan. A carrier may impose any deductible, copayment, coinsurance or other cost-sharing requirement for the chronic maintenance drug as long as the amount of the deductible, copayment, coinsurance or other cost-sharing requirement is applied in the same manner as if the chronic maintenance drug were dispensed as prescribed by a provider.

[PL 2021, c. 566, §1 (NEW).]

3. Application. This section does not apply to a health plan offered for use with a health savings account unless the federal Internal Revenue Service determines that the benefits required by this section are permissible benefits in a high deductible health plan as defined in the federal Internal Revenue Code, Section 223(c)(2).

[PL 2021, c. 566, §1 (NEW).]
