SECTION HISTORY

PL 1983, c. 846 (NEW). PL 2005, c. 346, §1 (AMD). PL 2005, c. 346, §16 (AFF).

§4602. Purpose

The purpose of this chapter, subject to certain limitations, is to maintain public confidence in the promises of insurers by providing a mechanism for protecting policyholders, insureds, beneficiaries, annuitants, payees and assignees of life insurance policies, health insurance policies, annuity contracts and supplemental contracts against failure in the performance of fair and equitable contractual obligations due to the impairment or insolvency of the member insurer issuing these policies or contracts. To provide this protection: [PL 2005, c. 346, §1 (AMD); PL 2005, c. 346, §16 (AFF).]

1. Creation of association. An association of insurers is created to enable the guaranty of payment of benefits and of continuation of coverages as limited by this chapter;
[PL 2005, c. 346, §1 (AMD); PL 2005, c. 346, §16 (AFF).]

2. Assessment of members. Members of the association are subject to assessment to provide funds to carry out the purpose of this chapter; and
[PL 1983, c. 846 (NEW).]

3. Assistance to superintendent. The association is authorized to assist the superintendent, in the prescribed manner, in the detection and prevention of insurer impairments and insolvencies.
[PL 2005, c. 346, §1 (AMD); PL 2005, c. 346, §16 (AFF).]

§4603. Scope

1. Application. This chapter applies to direct nongroup life insurance policies, health insurance policies, annuity contracts and contracts supplemental to life and health insurance policies and annuity contracts and to certificates under direct group life insurance policies, health insurance policies and annuity contracts, except as limited by this chapter. For the purposes of this chapter:

A. Health insurance policies include individual and group health maintenance organization enrollment contracts, and health maintenance organizations are considered to be health insurers; [PL 2017, c. 382, §2 (NEW).]

B. Annuity contracts and certificates under group annuity contracts include allocated funding agreements, structured settlement annuities and any immediate or deferred annuity contracts; and [PL 2017, c. 382, §2 (NEW).]

C. Benefits provided by a long-term care rider to a life insurance policy or annuity contract are considered the same type of benefits as the base life insurance policy or annuity contract to which the rider relates. [PL 2017, c. 382, §2 (NEW).]

[PL 2017, c. 382, §2 (AMD).]

1-A. Persons covered. This chapter provides coverage for the policies and contracts specified in subsection 1:

A. To any person, regardless of where the person resides, except for a nonresident certificate holder under a group policy or contract, who is the beneficiary, assignee or payee, including a health care provider rendering services covered under a health insurance policy or certificate, of a person covered under paragraph B; [PL 2017, c. 382, §3 (AMD).]

B. To any person who owns, or is a certificate holder or enrollee under, a policy or contract specified in subsection 1, other than a structured settlement annuity, who:

(1) Is a resident; or

(2) Is not a resident, if all the following conditions are met:

(a) The insurer that issued the policy or contract is domiciled in this State;

(b) The insurer never held a license or certificate of authority in the state in which the person resides;

(c) The state in which the person resides has an association similar to the Maine Life and Health Insurance Guaranty Association; and

(d) The person is not eligible for coverage by the association in that state; and [PL 2017, c. 382, §3 (AMD).]

C. To any person who is a payee under a structured settlement annuity, or to a beneficiary or beneficiaries of a payee if the payee is deceased, if the payee:

(1) Is a resident, regardless of where the contract owner resides; or

(2) Is not a resident, if all of the conditions of either division (a) or (b) are met:

(a) The contract owner of the structured settlement annuity is a resident; or

(b) The contract owner of the structured settlement annuity is not a resident, but:

(i) The insurer that issued the structured settlement annuity is domiciled in this State;

(ii) The state in which the contract owner resides has an association similar to the association created by this chapter; and

(iii) The payee or beneficiary and the contract owner are not eligible for coverage by the association of the state in which the payee or contract owner resides.

This chapter does not provide coverage to a person who is a payee or beneficiary of a contract owner who is a resident of this State if the payee or beneficiary is afforded any coverage by a similar association of another state. [PL 2005, c. 346, §2 (NEW); PL 2005, c. 346, §16 (AFF).]

This chapter is intended to provide coverage to a person who is a resident, and, in special circumstances as provided by this section, to a person who is not a resident. In order to avoid duplicate coverage, if a person who would otherwise receive coverage under this chapter is provided coverage under the laws of any other state, that person may not be provided coverage under this chapter. In determining the application of the provisions of this subsection in a situation in which a person could be covered by the association of more than one state, whether as an owner, payee, beneficiary, enrollee or assignee, this chapter must be construed in conjunction with other state laws to result in coverage by only one association.
[PL 2017, c. 382, §3 (AMD).]

2. Exceptions. This chapter does not apply to:

A. That portion of a policy or contract not guaranteed by an insurer; [PL 2005, c. 346, §2 (AMD); PL 2005, c. 346, §16 (AFF).]

(2) On or after the date on which the member insurer becomes an impaired insurer or becomes an insolvent insurer under this chapter, whichever is earlier, exceeds the rate of interest determined by subtracting 3 percentage points from Moody's Corporate Bond Yield Average as most recently available; [PL 2017, c. 382, §4 (AMD).]

F. Any portion of a policy or contract issued to a plan or program of an employer, association or other person to provide life, health or annuity benefits to its employees, members or others, to the extent that the plan or program is self-funded or uninsured, including but not limited to benefits payable by an employer, association or other person under:

L. Any unallocated annuity contract, except any annuity, whether allocated or unallocated, issued to a governmental retirement benefit plan established under the United States Internal Revenue Code, 26 United States Code, Section 401, 403(b) or 457; [PL 2017, c. 382, §6 (AMD).]

M. Any portion of a policy or contract to the extent it provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract, but that have not been credited to the policy or contract, or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired insurer or becomes an insolvent insurer under this chapter, whichever is earlier. If a policy's or contract's interest or changes in value are credited less frequently than annually, then for purposes of determining the values that have been credited and are not subject to forfeiture under this paragraph, the interest or change in value determined by using the procedures defined in the policy or contract will be credited as if the contractual date of crediting interest or changing values was the date of impairment or insolvency, whichever is earlier, and will not be subject to forfeiture; and [PL 2017, c. 382, §7 (AMD).]

A. The contractual obligations for which the member insurer is liable or would have been liable if it were not an impaired or insolvent insurer; [PL 2017, c. 382, §9 (AMD).]

B. With respect to one life, regardless of the number of policies or contracts:

§4606. Creation of the association

1. Creation. There is created a nonprofit legal entity to be known as the Maine Life and Health Insurance Guaranty Association. All member insurers must be and remain members of the association as a condition of their authority to transact insurance or health maintenance organization business in this State. The association shall perform its functions under the plan of operation established and approved under section 4610 and shall exercise its powers through a board of directors established under section 4607. For purposes of administration and assessment, the association shall maintain 3 accounts:

A. The health insurance account; [PL 1983, c. 846 (NEW).]

B. The life insurance account; and [PL 1983, c. 846 (NEW).]

C. The annuity account, which must include annuity contracts owned by a governmental retirement plan or its trustee established under Section 401, Section 403(b) or Section 457 of the United States Internal Revenue Code. [PL 2005, c. 346, §6 (AMD); PL 2005, c. 346, §16 (AFF).]
[PL 2017, c. 382, §14 (AMD).]

2. Supervision of association. The association is under the immediate supervision of the superintendent and is subject to the applicable provisions of the insurance laws of this State. Meetings or records of the association may be open to the public upon majority vote of the board of directors of the association.

§4607. Board of directors

1. Membership. The board of directors of the association must consist of not less than 7 nor more than 11 members representing member insurers serving terms as established in the plan of operation

pursuant to section 4610. The members of the board are selected by member insurers subject to the approval of the superintendent. Vacancies on the board must be filled for the remaining period of the term in the manner described in the plan of operation. To select the initial board of directors and initially organize the association, the superintendent shall give notice to all member insurers of the time and place of the organizational meeting. In determining voting rights at the organizational meeting each member insurer is entitled to one vote in person or by proxy. If the board of directors is not selected within 60 days after notice of the organizational meeting, the superintendent may appoint the initial members.
[PL 2017, c. 382, §15 (AMD).]

2. Appointments; representation of member insurers. In approving selections or in appointing members to the board, the superintendent shall consider, among other things, whether all member insurers are fairly represented.
[PL 1983, c. 846 (NEW).]

3. Reimbursement. Members of the board may be reimbursed from the assets of the association for expenses incurred by them as members of the board of directors, but members of the board may not otherwise be compensated by the association for their services.

§4608. Powers and duties of the association

In addition to the powers and duties enumerated in other sections of this chapter: [PL 1983, c. 846 (NEW).]

1. Impaired insurer; association action. If a member insurer is an impaired insurer, the association may, subject to any fair and equitable conditions imposed by the association that do not impair the contractual obligations of the impaired insurer and that are approved by the superintendent:

A. Guarantee, assume, reissue or reinsure or cause to be guaranteed, assumed, reissued or reinsured all the covered policies of the impaired insurer; or [PL 2017, c. 382, §16 (AMD).]

B. Provide such money, pledges, loans, notes, guarantees or other means as are proper to effectuate paragraph A and assure payment of the appropriate contractual obligations of the impaired insurer pending action under paragraph A. [PL 2005, c. 346, §6 (AMD); PL 2005, c. 346, §16 (AFF).]

C. [PL 2005, c. 346, §6 (RP); PL 2005, c. 346, §16 (AFF).]
[PL 2017, c. 382, §16 (AMD).]

2. Foreign or alien impaired insurer; association action prior to final order of liquidation, rehabilitation or conservation.
[PL 2005, c. 346, §6 (RP); PL 2005, c. 346, §16 (AFF).]

3. Domestic impaired insurer under final order of liquidation or rehabilitation; association action.
[PL 2005, c. 346, §6 (RP); PL 2005, c. 346, §16 (AFF).]

3-A. Impaired and insolvent insurer; association action. If a member insurer is an insolvent insurer, the association may, in its discretion, either:

A. Take the following actions:

(1) Guarantee, assume, reissue or reinsure or cause to be guaranteed, assumed, reissued or reinsured the policies or contracts of the insolvent insurer, or assure payment of the contractual obligations of the insolvent insurer; and

(2) Provide money, pledges, loans, notes, guarantees or other means reasonably necessary to discharge the association's duties; or [PL 2017, c. 382, §17 (AMD).]

B. Provide benefits and coverages in accordance with this paragraph.

(1) With respect to life and health insurance policies and annuities, the association shall assure payment of benefits that would have been payable under the policies or contracts of the insolvent insurer, for claims incurred:

(a) With respect to group policies and contracts, not later than the earlier of the next renewal date under those policies or contracts or 45 days, but in no event less than 30 days, after the date on which the association becomes obligated with respect to the policies and contracts; and

(b) With respect to nongroup policies, contracts and annuities, not later than the earlier of the next renewal date if any under the policies or contracts and one year, but in no event less than 30 days, after the date on which the association becomes obligated with respect to the policies or contracts.

(2) The association shall make diligent efforts to provide all known insureds, enrollees or annuitants for nongroup policies and contracts, or group policy or contract owners with respect to group policies and contracts, 30 days' notice of the termination of the benefits provided.

(3) With respect to nongroup life and health insurance policies and annuities covered by the association, the association shall make available to each known insured, enrollee or annuitant, or owner if other than the insured, enrollee or annuitant, and, with respect to an individual formerly insured, formerly enrolled or formerly an annuitant under a group policy or contract who is not eligible for replacement group coverage, make available substitute coverage on an individual basis in accordance with the provisions of subparagraph (4), if the insureds, enrollees or annuitants had a right under law or the terminated policy or annuity to convert coverage to individual coverage or to continue an individual policy or annuity in force until a specified age or for a specified time, during which the insurer had no right unilaterally to make changes in any provision of the policy or annuity or had a right only to make changes in premium by class.

(4) In providing substitute coverage, the association may offer either to reissue the terminated coverage or to issue an alternative policy in accordance with the following:

(a) Alternative or reissued policies must be offered without requiring evidence of insurability and may not provide for any waiting period or exclusion that would not have applied under the terminated policy;

(b) The association may reinsure any alternative or reissued policy;

(c) Alternative policies adopted by the association and any amendments to reissued policies are subject to the approval of the superintendent. The association may adopt alternative policies of various types for future issuance without regard to any particular impairment or insolvency;

(d) Alternative policies must contain at least the minimum statutory provisions required in this State and provide benefits that are not unreasonable in relation to the premium charged. The association shall set the premium in accordance with an actuarially justified table of rates that it adopts, subject to prior approval of the superintendent. The premium must reflect the amount of insurance to be provided and the age and class of risk of each insured, but may not reflect any changes in the health of the insured after the original policy was last underwritten; and

(e) Any alternative policy issued by the association must provide coverage of a type similar to that of the policy issued by the impaired or insolvent insurer, as determined by the association.

(5) If the association elects to reissue terminated coverage at a premium rate different from that charged under the terminated policy, the premium must be actuarially justified and set by the association in accordance with the amount of coverage provided and the age and class of risk, subject to approval of the superintendent.

(6) The association's obligations with respect to coverage under any policy of the impaired or insolvent insurer or under any reissued or alternative policy must cease on the date the coverage or policy is replaced by another similar policy by the policy owner, the insured, the enrollee or the association.

(7) When proceeding under this paragraph with respect to a policy or contract carrying guaranteed minimum interest rates, the association shall assure the payment or crediting of a rate of interest consistent with section 4603.

(8) Nonpayment of premiums within 31 days after the date required under the terms of any guaranteed, assumed, alternative or reissued policy or contract or substitute coverage terminates the association's obligations under the policy or coverage under this chapter with respect to the policy or coverage, except with respect to any claims incurred or any net cash surrender value that may be due in accordance with the provisions of this chapter.

(9) Premiums due for coverage after entry of an order of liquidation of an insolvent insurer belong to and are payable at the direction of the association, and the association is liable for unearned premiums due to policy or contract owners arising after the entry of the order.

(10) The protection provided by this chapter does not apply when any guaranty protection is provided to residents of this State by the laws of the domiciliary state or jurisdiction of the impaired or insolvent insurer other than this State. [PL 2017, c. 382, §17 (AMD).]

[PL 2017, c. 382, §17 (AMD).]

4. Foreign or alien impaired insurer under final order of liquidation, rehabilitation or conservation; association action.

[PL 2005, c. 346, §6 (RP); PL 2005, c. 346, §16 (AFF).]

5. Policy liens; contract liens; moratoriums on payments.

[PL 2005, c. 346, §6 (RP); PL 2005, c. 346, §16 (AFF).]

5-A. Policy liens; contract liens; moratoriums on payments. In carrying out its duties under subsection 3-A, the association may:

A. Subject to approval by a court in this State, impose permanent policy or contract liens in connection with a guarantee, assumption or reinsurance agreement, if the association finds that the amounts that can be assessed under this chapter are less than the amounts needed to assure full and prompt performance of the association's duties under this chapter or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of such permanent policy or contract liens to be in the public interest; and [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

B. Subject to approval by a court in this State, impose temporary moratoriums or liens on payments of cash values and policy loans or on any other right to withdraw funds held in conjunction with policies or contracts, in addition to any contractual provisions for deferral of cash or policy loan value. In addition, in the event of a temporary moratorium or moratorium charge imposed by the receivership court on payment of cash values or policy loans or on any other right to withdraw funds held in conjunction with policies or contracts, out of the assets of the impaired or insolvent

insurer, the association may defer the payment of cash values, policy loans or other rights by the association for the period of the moratorium or moratorium charge imposed by the receivership court, except for claims covered by the association to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

[PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

6. Association liability. The association has no liability under this section for any covered policy of a foreign or alien insurer whose domiciliary jurisdiction or state of entry provides by statute for residents of this State protection substantially similar to that provided by this chapter for residents of other states.

[PL 2005, c. 346, §6 (AMD); PL 2005, c. 346, §16 (AFF).]

6-A. Failure to act. If the association fails to act within a reasonable period of time with respect to an insolvent insurer, as provided in subsection 3-A, the superintendent has the powers and duties of the association under this chapter with respect to the insolvent insurer.

[PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

6-B. Retention of deposit; final order of liquidation or rehabilitation plan. A deposit in this State, held pursuant to law or required by the superintendent for the benefit of creditors, including policy owners, not turned over to the domiciliary liquidator upon the entry of a final order of liquidation or order approving a rehabilitation plan of a member insurer domiciled in this State or in a reciprocal state, pursuant to this Title must be promptly paid to the association. The association is entitled to retain a portion of any amount so paid to it equal to the percentage determined by dividing the aggregate amount of policy owners' claims related to that insolvency for which the association has provided statutory benefits by the aggregate amount of all policy owners' claims in this State related to that insolvency and shall remit to the domiciliary receiver the amount so paid to the association and not retained pursuant to this subsection. Any amount so paid to the association less the amount not retained by it must be treated as a distribution of estate assets pursuant to chapter 57 or similar provision of the state of domicile of the impaired or insolvent insurer.

[PL 2017, c. 382, §18 (AMD).]

7. Assistance and advice to superintendent. The association may render assistance and advice to the superintendent, upon the superintendent's request, concerning rehabilitation, payment of claims, continuations of coverage or the performance of other contractual obligations of any impaired or insolvent insurer.

[PL 2005, c. 346, §6 (AMD); PL 2005, c. 346, §16 (AFF).]

8. Standing to appear before court. The association has standing to appear or intervene before any court or agency in this State with jurisdiction over an impaired or insolvent insurer concerning which the association is or may become obligated under this chapter or with jurisdiction over any person or property against whom the association may have rights through subrogation or otherwise. This standing extends to all matters germane to the powers and duties of the association, including, but not limited to, proposals for reinsuring, reissuing, modifying or guaranteeing the covered policies or contracts and contractual obligations of the impaired or insolvent insurer and the determination of the covered policies or contracts and contractual obligations. The association also has the right to appear or intervene before a court or agency in another state with jurisdiction over an impaired or insolvent insurer for which the association is or may become obligated or with jurisdiction over any person or property against whom the association may have rights through subrogation or otherwise.

[PL 2017, c. 382, §19 (AMD).]

9. Subrogation rights. Any person receiving benefits under this chapter is deemed to have assigned that person's rights under, and any causes of action against any person for losses arising under, resulting from or otherwise relating to, the covered policy or contract to the association to the extent of

the benefits received because of this chapter whether the benefits are payments of or on account of contractual obligations, continuation of coverage or provision of substitute or alternative coverages. The association may require an assignment to it of these rights and cause of action by any payee, policy or contract owner, beneficiary, insured, enrollee or annuitant as a condition precedent to the receipt of any rights or benefits conferred by this chapter upon that person. The association is subrogated to these rights against the assets of any impaired or insolvent insurer.

The subrogation rights of the association under this subsection must have the same priority against the assets of the impaired or insolvent insurer as that possessed by the person entitled to receive benefits under this chapter.

In addition, the association has all common law rights of subrogation and any other equitable or legal remedy that would have been available to the impaired or insolvent insurer or owner, beneficiary, insured, enrollee or payee of a policy or contract with respect to the policy or contract, including without limitation, in the case of a structured settlement annuity, any rights of the owner, beneficiary or payee of the annuity, to the extent of benefits received pursuant to this chapter, against a person originally or by succession responsible for the losses arising from the personal injury relating to the annuity or payment therefor, excepting any such person responsible solely by reason of serving as an assignee in respect of a qualified assignment under Section 130 of the federal Internal Revenue Code.

If the provisions of this subsection are invalid or ineffective with respect to any person or claim for any reason, the amount payable by the association with respect to the related covered obligations must be reduced by the amount realized by any other person with respect to the person or claim that is attributable to the policies or portion thereof covered by the association.

If the association has provided benefits with respect to a covered obligation and a person recovers amounts as to which the association has rights as described in this subsection, the person shall pay to the association the portion of the recovery attributable to the policies or portion thereof covered by the association.
[PL 2017, c. 382, §19 (AMD).]

10. Association's contractual obligation; impaired insurer.
[PL 2005, c. 346, §6 (RP); PL 2005, c. 346, §16 (AFF).]

11. Other powers. The association may:

A. Enter into such contracts as are necessary or proper to carry out the provisions and purposes of this chapter; [PL 1983, c. 846 (NEW).]

B. Subject to the provisions of section 4617, sue or be sued, including taking any legal actions necessary or proper for recovery of any unpaid assessments under section 4609 or to settle claims or potential claims against it; [PL 2005, c. 346, §6 (AMD); PL 2005, c. 346, §16 (AFF).]

C. Borrow money to effect the purposes of this chapter. Any notes or other evidence of indebtedness of the association not in default are legal investments for domestic member insurers and may be carried as admitted assets; [PL 2017, c. 382, §20 (AMD).]

D. Employ or retain such persons as are necessary or appropriate to handle the financial transactions of the association and to perform such other functions as become necessary or proper under this chapter; [PL 2005, c. 346, §6 (AMD); PL 2005, c. 346, §16 (AFF).]

E. Negotiate and contract with any liquidator, rehabilitator, conservator or ancillary receiver to carry out the powers and duties of the association; [PL 1983, c. 846 (NEW).]

F. Take such legal action as may be necessary to avoid or recover payment of improper claims; [PL 2005, c. 346, §6 (AMD); PL 2005, c. 346, §16 (AFF).]

G. Exercise, for the purposes of this chapter and to the extent approved by the superintendent, the powers of a domestic life or health insurer or health maintenance organization, but in no case may

the association issue policies or contracts other than those issued to perform the contractual obligations of the impaired insurer; [PL 2017, c. 382, §20 (AMD).]

H. Organize itself as a corporation or in other legal form permitted by the laws of this State; [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

I. Request information from a person seeking coverage from the association in order to aid the association in determining its obligations under this chapter with respect to the person, and the person shall promptly comply with the request; [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

J. Join an organization of one or more other state associations of similar purposes, to further the purposes and administer the powers and duties of the association; [PL 2017, c. 382, §21 (AMD).]

J-1. In accordance with the terms and conditions of the policy or contract, if not otherwise prohibited by applicable law, file for actuarially justified rate or premium increases for any policy or contract for which it provides coverage under this chapter; and [PL 2017, c. 382, §22 (NEW).]

K. Take necessary or appropriate action to discharge its duties and obligations under this chapter or to exercise its powers under this chapter. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

[PL 2017, c. 382, §§20-22 (AMD).]

12. Reinsurance of obligations; election by association. At any time within one year after the date on which the association becomes responsible for the obligations of a member insurer, the association may elect to succeed to the rights and obligations of the member insurer that accrue on or after the coverage date and that relate to contracts covered in whole or in part by the association under any one or more indemnity reinsurance agreements entered into by the member insurer as a ceding insurer and selected by the association. However, the association may not exercise an election with respect to a reinsurance agreement if the receiver, rehabilitator or liquidator of the member insurer has previously and expressly disaffirmed the reinsurance agreement. The election is effected by a notice to the receiver, rehabilitator or liquidator and to the affected reinsurers. If the association makes an election, the following requirements apply with respect to the agreements selected by the association.

A. For contracts covered in whole or in part by the association, the association is responsible for all unpaid premiums due under the agreements for periods both before and after the coverage date and for the performance of all other obligations to be performed after the coverage date. The association may charge contracts covered in part by the association, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the association. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

B. The association is entitled to any amounts payable by the reinsurer under the agreements with respect to losses or events that occur in periods after the coverage date and that relate to contracts covered by the association in whole or in part, except that, upon receipt of any such amounts, the association is obliged to pay to the beneficiary under the policy or contract on account of which the amounts were paid a portion of the amount equal to the excess of the amount received by the association over the benefits paid by the association on account of the policy or contract less the retention of the impaired or insolvent insurer applicable to the loss or event. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

C. Within 30 days following the association's election, the association and each indemnity reinsurer shall calculate the net balance due to or from the association under each reinsurance agreement as of the date of the association's election, giving full credit to all items paid by either the member insurer or its receiver, rehabilitator or liquidator or the indemnity reinsurer during the period between the coverage date and the date of the association's election. Either the association or indemnity reinsurer shall pay the net balance due the other within 5 days of the completion of the

calculation. If the receiver, rehabilitator or liquidator has received any amounts due the association pursuant to paragraph B, the receiver, rehabilitator or liquidator shall remit them to the association as promptly as practicable. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

D. If the association, within 60 days of the election, pays the premiums due for periods both before and after the coverage date that relate to contracts covered by the association in whole or in part, the reinsurer is not entitled to terminate the reinsurance agreements insofar as the agreements relate to contracts covered by the association in whole or in part and is not entitled to set off any unpaid premium due for periods prior to the coverage date against amounts due the association. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

E. In the event the association transfers its obligations to another insurer and if the association and the other insurer agree, the other insurer must succeed to the rights and obligations of the association under this chapter effective as of the date agreed upon by the association and the other insurer and regardless of whether the association has made the election referred to in this subsection, except that:

(1) The indemnity reinsurance agreements automatically terminate for new reinsurance unless the indemnity reinsurer and the other insurer agree to the contrary; and

(2) The obligations described in this chapter no longer apply on and after the date the indemnity reinsurance agreement is transferred to the 3rd-party insurer.

This paragraph does not apply if the association has previously expressly determined in writing that it will not exercise the election. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

F. This subsection supersedes the provisions of any law of this State or of any affected reinsurance agreement that provides for or requires any payment of reinsurance proceeds, on account of losses or events that occur in periods after the coverage date, to the receiver, liquidator or rehabilitator of an insolvent insurer. The receiver, rehabilitator or liquidator is entitled to any amounts payable by the reinsurer under the reinsurance agreement with respect to losses or events that occur in periods prior to the coverage date subject to applicable set-off provisions. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

G. Except as otherwise expressly provided, this subsection does not alter or modify the terms and conditions of the indemnity reinsurance agreements of an insolvent insurer. This subsection may not be construed to abrogate or limit any rights of any reinsurer to claim that it is entitled to rescind a reinsurance agreement. This subsection may not be construed to give a policy owner, contract owner, enrollee, certificate holder or beneficiary an independent cause of action against an indemnity reinsurer that is not otherwise set forth in the indemnity reinsurance agreement. [PL 2017, c. 382, §23 (AMD).]

[PL 2017, c. 382, §23 (AMD).]

13. Discretion. The board of directors of the association has discretion and may exercise reasonable business judgment to determine the means by which the association is to provide the benefits of this chapter in an economical and efficient manner.

[PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

14. No additional benefits. When the association has arranged or offered to provide the benefits of this chapter to a covered person under a plan or arrangement that fulfills the association's obligations under this chapter, the person is not entitled to benefits from the association in addition to or other than those provided under the plan or arrangement.

[PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

15. Venue. Venue in a suit against the association arising under this chapter is Kennebec County. The association may not be required to give an appeal bond in an appeal that relates to a cause of action arising under this chapter.

[PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

16. Issuance of substitute coverage. In carrying out its duties in connection with guaranteeing, assuming, reissuing or reinsuring policies or contracts under this section, the association may issue substitute coverage for a policy or contract that provides an interest rate, crediting rate or similar factor determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value by issuing an alternative policy or contract in accordance with this subsection.

A. In lieu of the index or other external reference provided for in the original policy or contract, the alternative policy or contract must provide for:

(1) A fixed interest rate;

(2) Payment or dividends with minimum guarantees; or

(3) A different method for calculating interest or changes in value. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

B. There may not be a requirement for evidence of insurability, waiting period or other exclusion that would not have applied under the replaced policy or contract. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

C. The alternative policy or contract must be substantially similar to the replaced policy or contract in all other material terms. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

[PL 2017, c. 382, §24 (AMD).]

§4609. Assessments

1. Assessments; collection. For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such times and for such amounts as the board finds necessary. Assessments are due not less than 30 days after prior written notice to the member insurers and accrue interest at 10% annually on and after the due date.

[PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

2. Classes of assessments.

[PL 2005, c. 346, §7 (RP); PL 2005, c. 346, §16 (AFF).]

2-A. Classes of assessments. There are 2 classes of assessments, as set out in this subsection.

A. Class A assessments are authorized and called for the purpose of meeting administrative costs and other general expenses. Class A assessments may be authorized and called whether or not related to a particular impaired or insolvent insurer. [PL 2005, c. 346, §7 (NEW); PL 2005, c. 346, §16 (AFF).]

B. Class B assessments are authorized and called to the extent necessary to carry out the powers and duties of the association under section 4608 with regard to an impaired or an insolvent insurer. [PL 2005, c. 346, §7 (NEW); PL 2005, c. 346, §16 (AFF).]

3. Determination of assessments.

3-A. Determination of assessments. Assessments must be determined as follows:

A. The amount of any Class A assessment, as described in subsection 2-A, for each account must be determined by the board of directors and may be authorized and called on a pro rata or non-pro rata basis. If pro rata, it must be allocated in the same proportions as a Class B assessment under paragraph C, and the board has the power to credit it against future Class B assessments. [PL 2017, c. 382, §25 (AMD).]

B. [PL 2017, c. 382, §25 (RP).]

C. Class B assessments, as described in subsection 2-A, must be allocated as follows.

(1) Except for assessments related to long-term care insurance that are subject to allocation under subparagraph (2), the amount of the assessment must be allocated among the accounts pursuant to an allocation formula that may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard determined by the board of directors in its sole discretion as being fair and reasonable under the circumstances.

(2) The amount of any Class B assessment for liabilities arising out of long-term care insurance written by the impaired or insolvent insurer, if the impairment or insolvency is declared on or after July 1, 2018, must be allocated among the accounts according to a methodology included in the plan of operation and approved by the superintendent. The methodology must provide for 50% of the assessment to be allocated to member insurers that are health insurers and 50% to be allocated to member insurers that are life and annuity insurers.

(3) All Class B assessments must be allocated among member insurers within each account in the proportion that the premiums received by each assessed member insurer, on business in this State covered by the account, bears to premiums received on such business by all assessed member insurers, for the most recent calendar year for which information is available preceding the year in which the insurer became insolvent or, in the case of an assessment with respect to an impaired insurer, preceding the year in which the insurer became impaired.

(4) Health maintenance organizations are not subject to Class B assessments arising out of impairments or insolvencies declared before July 1, 2018. [PL 2017, c. 382, §25 (AMD).]

D. Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer may not be authorized or called until necessary to implement the purposes of this chapter. Classification of assessments under subsection 2-A and computation of assessments under this paragraph must be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible. [PL 2005, c. 346, §7 (NEW); PL 2005, c. 346, §16 (AFF).]

E. This subsection may not be a factor in determining whether the protection provided by laws for residents of this State by the domiciliary jurisdiction of a foreign or alien insurer is substantially similar to the protection provided by this chapter for residents of other states. [PL 2017, c. 382, §25 (NEW).]

[PL 2017, c. 382, §25 (AMD).]

4. Abatement or deferral of assessments. The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board of directors, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. Once the conditions that caused a deferral have been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant to a repayment plan approved by the association. The total of all assessments upon a member insurer for each account may not in any one calendar year exceed 2% of the insurer's premiums in this State on the policies covered by the account.

[PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

5. Additional assessment for abatements or deferrals. In the event an assessment against a member insurer is abated or deferred, in whole or in part, because of the limitations set forth in

subsection 4, the amount by which the assessment is abated or deferred must be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section.
[PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

6. Refunds. The board of directors may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account, including assets accruing from net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses if refunds are impractical.
[PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

7. Consideration of assessments in determining premium rates and dividends. It is proper for any member insurer in determining its premium rates and policyowner dividends as to any kind of insurance within the scope of this chapter, to consider the amount reasonably necessary to meet its assessment obligations under this chapter.
[PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

8. Assessment shortfalls. If the maximum assessment, together with the other assets of the association in any account, does not provide in any one year in any one account an amount sufficient to make all necessary payments from that account, the shortfall must be assessed as an obligation of the other accounts of the association. Each member insurer's assessment must be in the proportion that its premium for the calendar year preceding the assessment on the kinds of insurance in the accounts to be assessed bears to the total premium of all member insurers for the same calendar year on the kinds of insurance in those accounts. The total of assessments against a member insurer for shortfalls under this section and section 4440 in any one calendar year may not exceed 2% of that member insurer's premiums in this State or for policies covered by the account.
[PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

9. Certificate of contribution. The association shall issue to each insurer paying an assessment under this chapter, other than a Class A assessment, a certificate of contribution, in a form prescribed by the superintendent, for the amount of the assessment so paid. All outstanding certificates are of equal dignity and priority without reference to amounts or dates of issue.
[PL 2005, c. 346, §7 (NEW); PL 2005, c. 346, §16 (AFF).]

§4610. Plan of operation

1. Establishment of plan. A plan of operation shall be established as follows.

A. The association shall submit to the superintendent a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the superintendent. [PL 1983, c. 846 (NEW).]

B. If the association fails to submit a suitable plan of operation within 180 days following the effective date of this chapter or if at any time thereafter the association fails to submit suitable amendments to the plan, the superintendent shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this chapter. These rules shall continue in force until modified by the superintendent or superseded by a plan submitted by the association and approved by the superintendent. [PL 1983, c. 846 (NEW).]

[PL 1983, c. 846 (NEW).]

2. Compliance. All member insurers shall comply with the plan of operation. [PL 1983, c. 846 (NEW).]

3. Requirements of plan. The plan of operation shall, in addition to requirements enumerated elsewhere in this chapter:

A. Establish procedures for handling the assets of the association; [PL 1983, c. 846 (NEW).]

B. Establish the amount and method of reimbursing members of the board of directors under section 4607; [PL 1983, c. 846 (NEW).]

C. Establish regular places and times for meetings of the board of directors; [PL 1983, c. 846 (NEW).]

D. Establish procedures for records to be kept of all financial transactions of the association, its agents and the board of directors; [PL 1983, c. 846 (NEW).]

E. Establish the procedures whereby selections for the board of directors will be made and submitted to the superintendent; [PL 1983, c. 846 (NEW).]

F. Establish any additional procedures for assessments under section 4609; and [PL 1983, c. 846 (NEW).]

G. Contain additional provisions necessary or proper for the execution of the powers and duties of the association. [PL 1983, c. 846 (NEW).]

[PL 1983, c. 846 (NEW).]

4. Delegation of association powers and duties. The plan of operation may provide that any or all powers and duties of the association, except those under section 4608, subsection 11, paragraph C and section 4609, are delegated to a corporation, association or other organization which performs or will perform functions similar to those of this association, or its equivalent, in 2 or more states. Such a corporation, association or organization shall be reimbursed for any payments made on behalf of the association and shall be paid for its performance of any function of the association. A delegation under this paragraph shall take effect only with the approval of both the board of directors and the superintendent and may be made only to a corporation, association or organization which extends protection not substantially less favorable and effective than that provided by this chapter. [PL 1983, c. 846 (NEW).]

SECTION HISTORY

PL 1983, c. 846 (NEW).

§4611. Duties and powers of the superintendent

In addition to the duties and powers enumerated elsewhere in this chapter: [PL 1983, c. 846 (NEW).]

1. Powers and duties. The superintendent shall:

A. Notify the board of directors of the existence of an impaired insurer not later than 3 days after a determination of impairment or insolvency is made or the superintendent has received the notice of impairment or insolvency; [PL 2005, c. 346, §8 (AMD); PL 2005, c. 346, §16 (AFF).]

B. Upon request of the board of directors, provide the association with a statement of the premiums in the appropriate states for each member insurer; [PL 1983, c. 846 (NEW).]

C. When an impairment is determined, as defined in section 4605-A, subsection 10, and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer constitutes notice to its shareholders, if any. The failure of the insurer to promptly comply with the demand does not excuse

the association from the performance of its powers and duties under this chapter; and [PL 2005, c. 346, §8 (AMD); PL 2005, c. 346, §16 (AFF).]

D. In any liquidation or rehabilitation proceeding involving a domestic insurer, the superintendent shall be appointed as the liquidator or rehabilitator, pursuant to chapter 57. If a foreign or alien member insurer is subject to a liquidation proceeding in its domiciliary jurisdiction or state of entry other than this State, the superintendent may be appointed conservator or an ancillary receiver. [PL 1983, c. 846 (NEW).]

[PL 2005, c. 346, §8 (AMD); PL 2005, c. 346, §16 (AFF).]

2. Suspension or revocation of certificate of authority. The superintendent may suspend or revoke, after notice and hearing, the certificate of authority to transact business in this State of any member insurer that fails to pay an assessment when due or fails to comply with the plan of operation. In lieu of such suspension or revocation, any member insurer that fails to pay an assessment when due or fails to comply with the plan of operation may be punished by a fine not to exceed the greater of 5% of the unpaid assessment per month or $100 per month.

[PL 2017, c. 382, §26 (AMD).]

3. Appeal of actions of board of directors or association. Any final action of the board of directors or the association may be appealed to the superintendent by any member insurer if such appeal is taken within 30 days of the action being appealed. Any final action or order of the superintendent is subject to judicial review pursuant to chapter 3.

[PL 2005, c. 346, §9 (AMD); PL 2005, c. 346, §16 (AFF).]

4. Notification of interested persons. The liquidator, rehabilitator or conservator of any impaired insurer may notify all interested persons of the effect of this chapter.

§4612-A. Prevention of impairments and insolvencies

To aid in the detection and prevention of insurer impairments and insolvencies, the following provisions apply. [PL 2005, c. 346, §11 (NEW); PL 2005, c. 346, §16 (AFF).]

1. Action by superintendent. The superintendent shall:

A. Notify the insurance commissioners of all the other states, territories of the United States and the District of Columbia, within 30 days following the action taken or the date the action occurs, when the superintendent takes any of the following actions against a member insurer:

(1) Revokes a license;

(2) Suspends a license; or

(3) Makes a formal order that the member insurer restrict its premium writing, obtain additional contributions to surplus, withdraw from the State, reinsure all or any part of its business or increase capital, surplus or any other account for the security of policy owners or creditors. [PL 2005, c. 346, §11 (NEW); PL 2005, c. 346, §16 (AFF).]

B. Report to the board of directors when the superintendent has taken any of the actions set forth in paragraph A or has received a report from any other insurance commissioner indicating that any such action has been taken in another state. The report to the board of directors must contain all significant details of the action taken or the report received from another commissioner. [PL 2005, c. 346, §11 (NEW); PL 2005, c. 346, §16 (AFF).]

C. Report to the board of directors when the superintendent has reasonable cause to believe from an examination, whether completed or in process, of any member insurer that the insurer may be an impaired or insolvent insurer. [PL 2005, c. 346, §11 (NEW); PL 2005, c. 346, §16 (AFF).]

D. Furnish to the board of directors the National Association of Insurance Commissioners Insurance Regulatory Information System ratios and listings of companies not included in the ratios. The board may use the information contained therein in carrying out its duties and responsibilities under this section. The report and the information contained therein must be kept confidential by the board until such time as made public by the superintendent or other lawful authority. [PL 2005, c. 346, §11 (NEW); PL 2005, c. 346, §16 (AFF).]

[PL 2005, c. 346, §11 (NEW); PL 2005, c. 346, §16 (AFF).]

2. Advice and recommendations. The superintendent may seek the advice and recommendations of the board of directors concerning any matter affecting the duties and responsibilities of the superintendent regarding the financial condition of member insurers and companies seeking admission to transact insurance or health maintenance organization business in this State.

[PL 2017, c. 382, §27 (AMD).]

3. Action by board of directors. The board of directors, upon majority ballot vote, shall:

A. Notify the superintendent of any information indicating that any member insurer may be impaired or insolvent; [PL 2017, c. 382, §27 (AMD).]

B. Make reports and recommendations to the superintendent upon any matter germane to the solvency, liquidation, rehabilitation or conservation of any member insurer or germane to the solvency of any company seeking to do insurance or health maintenance organization business in this State. These reports and recommendations must be treated as confidential by the superintendent; and [PL 2017, c. 382, §27 (AMD).]

C. Make recommendations to the superintendent for the detection and prevention of insolvencies. [PL 2017, c. 382, §27 (AMD).]

§4613. Appointment of association nominee

The association may recommend a natural person to serve as a special deputy to act for the superintendent and under the superintendent's supervision in the liquidation, rehabilitation or conservation of any member insurer. [RR 2021, c. 1, Pt. B, §392 (COR).]

SECTION HISTORY

§4614. Miscellaneous provisions

1. Liability for unpaid assessments of insureds of an impaired insurer. Nothing in this chapter may be construed to reduce the liability for unpaid assessments of the insureds of an impaired insurer operating under a plan with assessment liability.

[PL 1983, c. 846 (NEW).]

2. Records. Records must be kept of all negotiations and meetings in which the association or its representatives are involved to discuss the activities of the association in carrying out its powers and duties under section 4608. Records of the negotiations or meetings may be made public only upon the termination of a liquidation, rehabilitation or conservation proceeding involving the impaired or insolvent insurer, upon the termination of the impairment of the insurer, or upon the order of a court of competent jurisdiction. Nothing in this subsection limits the duty of the association to render a report of its activities under section 4615.
[PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

3. Association deemed to be creditor of impaired or insolvent insurer. For the purpose of carrying out its obligations under this chapter, the association is deemed to be a creditor of the impaired insurer to the extent of assets attributable to covered policies reduced by any amounts to which the association is entitled as subrogee pursuant to section 4608, subsection 9. All assets of the impaired insurer attributable to covered policies must be used to continue all covered policies and pay all contractual obligations of the impaired insurer as required by this chapter. Assets attributable to covered policies, as used in this subsection, are to be construed as that proportion of the assets that the reserves that should have been established for these policies bear to the reserve that should have been established for all policies of insurance written by the impaired insurer.

As creditors of the impaired or insolvent insurer, the association and other similar associations are entitled to receive a disbursement of assets out of the marshaled assets, from time to time as the assets become available to reimburse it, as a credit against contractual obligations under this chapter. If the liquidator has not, within 120 days of a final determination of insolvency of an insurer by the receivership court, made an application to the court for the approval of a proposal to disburse assets out of marshaled assets to guaranty associations having obligations because of the insolvency, then the association is entitled to make application to the receivership court for approval of its own proposal to disburse these assets.
[PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

4. Factors considered in distributing assets. In distributing assets, the following factors must be considered.

A. Prior to the termination of any liquidation, rehabilitation or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the association, the shareholders, policy owners, contract owners, certificate holders and enrollees of the impaired or insolvent insurer and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of the impaired or insolvent insurer. In such a determination, consideration must be given to the welfare of the policy owners, contract owners, certificate holders and enrollees of the continuing or successor insurer. [PL 2017, c. 382, §28 (AMD).]

B. No distribution to stockholders, if any, of an impaired or insolvent insurer may be made until and unless the total amount of assessments levied by the association with respect to the insurer have been fully recovered by the association. [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]
[PL 2017, c. 382, §28 (AMD).]

5. Unfair trade practice.
[PL 2005, c. 346, §12 (RP); PL 2005, c. 346, §16 (AFF).]

6. Recovery procedure; provisions. The recovery procedure must provide that:

A. If an order for liquidation or rehabilitation of an insurer domiciled in this State has been entered, the receiver appointed under that order has a right to recover on behalf of the insurer, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the insurer on its capital stock, made at any time during the 5 years preceding the petition for liquidation or

rehabilitation subject to the limitations of paragraphs B to D; [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

B. No distribution may be recoverable if the insurer shows that when paid the distribution was lawful and reasonable and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations; [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

C. Any person who was an affiliate that controlled the insurer at the time the distributions were paid is liable up to the amount of distributions the person received. Any person who was an affiliate that controlled the insurer at the time the distributions were declared is liable up to the amount of distributions the person would have received if they had been paid immediately. If 2 or more persons are liable with respect to the same distributions they are jointly and severally liable; [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

D. The maximum amount recoverable under this section is the amount needed in excess of all other available assets of the impaired or insolvent insurer to pay the contractual obligations of the impaired or insolvent insurer on a fair and equitable basis; and [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

E. If any person liable under paragraph C is insolvent, all its affiliates that controlled it at the time the distribution was paid are jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate. [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

Immunity extends to the participation in any organization of one or more other state associations of similar purposes and to any such organization and its agents or employees. All proceedings in which the impaired insurer is a party in any court in this State shall be stayed 60 days from the date an order of liquidation, rehabilitation or conservation is final to permit proper legal action by the association on any matters germane to its powers or duties. As to a judgment under any decision, order, verdict or finding based on default, the association may apply to have the judgment set aside by the same court that made the judgment and shall be permitted to defend against the suit on the merits. A person, including a member insurer or an agent or affiliate of a member insurer, may not make, publish, disseminate, circulate or place before the public or cause directly or indirectly to be made, published, disseminated, circulated or placed before the public in any newspaper, magazine or publication or in the form of a notice, circular, pamphlet, letter or poster or over any radio station or television station or in any other way any advertisement, announcement or statement, written or oral, that uses the existence of the association for the purpose of sales, solicitation or inducement to purchases of any form of insurance covered by this chapter. §4621. Credits for assessments paid; tax offsets

1. Credit allowed. A member insurer may offset against its premium tax liability to this State an assessment described in section 4609, subsection 2-A, paragraph B and for which a certificate under section 4609, subsection 9 is issued, to the extent of 20% of the amount of the assessment for each of the 5 calendar years following the year in which the assessment was paid. In the event a member insurer ceases doing business, all uncredited assessments may be credited against its premium tax liability for the year it ceases doing business.
[PL 2005, c. 346, §14 (NEW); PL 2005, c. 346, §16 (AFF).]

2. Refunds. Any sums that are acquired by refund, pursuant to section 4609, subsection 6, from the association by member insurers, and that have been offset against premium taxes as provided in subsection 1, must be recaptured in such manner as required by the State Tax Assessor under Title 36. The association shall notify the superintendent and the State Tax Assessor that refunds have been made. The association also shall provide the State Tax Assessor with a list of all members who were issued refunds and the dates and amounts of such refunds.
[PL 2005, c. 346, §14 (NEW); PL 2005, c. 346, §16 (AFF).]

2-A. Insurers not subject to premium tax. A member insurer that is not subject to premium taxation may take the credit allowed under subsection 1 against its income tax liability to this State. A

member insurer that is exempt from both premium taxation and income taxation in this State may recoup its assessments by a surcharge on its premiums in an amount reasonably calculated to recoup the assessments over a reasonable period of time, as approved by the superintendent. Amounts recouped are not considered premiums for any other purpose, including medical loss ratio calculations and premium-based assessments. If a member insurer collects excess surcharges, the insurer shall remit the excess amount to the association, and the excess amount must be applied to reduce future assessments in the appropriate account.
[PL 2017, c. 382, §30 (NEW).]

3. Application. This section applies to assessments paid to the association by a member insurer on or after January 1, 2005.
