"Population" means the population as determined by the latest Federal Decennial Census or the population as determined and certified by the Department of Health and Human Services, whichever is later. For the purposes of this section, the Department of Health and Human Services shall determine the population of each municipality at least once every 2 years. For the purposes of the distributions required by this section, beginning July 1, 2009, "population" means the most current population data available as of the January 1st prior to the fiscal year of distribution. [PL 2007, c. 662, §1 (AMD).]

B. "Property tax burden" means the total real and personal property taxes assessed in the municipal fiscal year pertaining to the latest state valuation, except the taxes assessed on captured value within a tax increment financing district, divided by the latest state valuation certified to the Secretary of State. [PL 2007, c. 662, §1 (AMD).]

C. [PL 2009, c. 213, Pt. S, §1 (RP); PL 2009, c. 213, Pt. S, §16 (AFF).]

"Disproportionate tax burden" means the total real and personal property taxes assessed in the municipal fiscal year pertaining to the latest state valuation, except the taxes assessed on captured value within a tax increment financing district, divided by the latest state valuation certified to the Secretary of State and reduced by .01. Beginning on July 1, 2013 and each July 1st thereafter, if the total revenue-sharing distribution as calculated by subsection 5 is distributed to the municipalities without transfer or reduction, the reduction factor must be increased by either .0005 or the percentage increase necessary to equal the statewide average property tax rate, whichever increase is smaller, until the fiscal year when the percentage reduction factor reaches the statewide average property tax rate. [PL 2011, c. 656, §1 (AMD).]

F. "Statewide average property tax rate" means the total real and personal property taxes assessed in all municipalities in the municipal fiscal year pertaining to the latest state valuation, except the taxes assessed on captured value within a tax increment financing district, divided by the total latest state valuation certified to the Secretary of State.
