

§3611. Consumer Council System of Maine

The council system consists of the Statewide Consumer Council established in subsection 6 and local councils. [PL 2007, c. 592, §2 (NEW).]

1. Independent public instrumentality. The council system exists as an independent public instrumentality of the State to provide guidance and advice from consumers of adult mental health services provided or funded by the State regarding the delivery of effective and appropriate adult mental health services consistent with the State's comprehensive mental health services plan and to comply with the consent decree and incorporated settlement agreement in the case of Paul Bates, et al. v. Robert Glover, et al., Kennebec County Superior Court, Civil Action Docket No. CV-89-88 dated August 2, 1990.

[PL 2007, c. 592, §2 (NEW).]

2. Governmental functions; tort claims. Exercise of the powers conferred by this section is the performance of an essential governmental function.
