§3203. Tax levied; consignment sales; credited to Highway Fund; allowance for losses

1. Generally.

[PL 2009, c. 496, §18 (RP).]

1-A. Special biodiesel rate.

[PL 2005, c. 677, Pt. A, §1 (NEW); MRSA T. 36 §3203, sub-§1-A (RP).]

1-B. Generally; rates. Except as provided in section 3204-A, an excise tax is levied and imposed on all suppliers of distillates sold, on all retailers of low-energy fuel sold and on all users of special fuel used in this State for each gallon of distillate at the rate of 31.2¢ per gallon. Tax rates for each gallon of low-energy fuel are based on the British Thermal Unit, referred to in this subsection as "BTU," energy content for each fuel as based on gasoline gallon equivalents or the comparable measure for distillates. The gasoline gallon equivalent is the amount of alternative fuel that equals the BTU energy content of one gallon of gasoline. For purposes of this subsection, "base rate" means the rate in effect for gasoline or diesel on July 1st of each year. A biodiesel blend containing less than 90% biodiesel fuel is subject to the rate of tax imposed on diesel.

A. This paragraph establishes the applicable BTU values and tax rates based on gasoline gallon equivalents.

Fuel type based on	BTU content per gallon or gasoline gallon equivalent	Tax rate formula (BTU value fuel/BTU value gasoline) x base rate gasoline
Gasoline	115,000	100% x base rate
Propane	84,500	73% x base rate
Compressed Natural Gas (CNG)	115,000	100% x base rate
Methanol	56,800	49% x base rate
Ethanol	76,000	66% x base rate
Hydrogen	115,000	100% x base rate
Hydrogen Compressed Natural Gas	115,000	100% x base rate

[PL 2007, c. 650, §2 (NEW).]

B. This paragraph establishes the applicable BTU values and tax rates based on distillate gallon equivalents.

Fuel type based on	BTU content per gallon or gallon equivalent	Tax rate formula (BTU value fuel/BTU value diesel) x base rate diesel
Diesel	128,400	100% x base rate

Liquefied Natural Gas 73,500 (LNG)	57% x base rate
Biodiesel 118,300	92% x base rate

[PL 2011, c. 240, §25 (AMD).]

C. The conversion factors established in this paragraph must be used in converting to gasoline gallon equivalents.

(1) For compressed natural gas, BTUs per 100 standard cubic feet is 93,000, and there are 123.66 standard cubic feet per gasoline gallon equivalent.

(2) For hydrogen, BTUs per 100 standard cubic feet is 27,000, and there are 425.93 standard cubic feet per gasoline gallon equivalent.

(3) For hydrogen compressed natural gas, BTUs per 100 standard cubic feet is 79,800, and there are 144.11 standard cubic feet per gasoline gallon equivalent. [PL 2007, c. 650, §2 (NEW).]

[PL 2019, c. 379, Pt. B, §8 (AMD).]

2. Legal incidence of tax. Special fuel may be taxed only once under this section. The tax imposed by this section is declared to be a levy and assessment on the ultimate consumer, and other persons levied and assessed pursuant to this chapter are agents of the State for the collection of the tax. The supplier and retailer are primarily responsible for paying the tax. When a supplier sells and delivers to a licensed exporter wholly for exportation from the State or to another supplier in the State, the purchasing supplier is primarily responsible for paying the tax. If a supplier or retailer includes the tax on a bill to a customer, it must be shown as a separate line item and identified as "Maine special fuel tax."

[PL 2007, c. 693, §23 (AMD).]

3. Delivery by supplier or retailer. When distillates are delivered by a supplier to a consumer or to a retail outlet, those distillates are deemed to have been sold within the meaning of this chapter, even if the retail outlet is owned in whole or in part by the supplier.

[PL 2007, c. 438, §75 (AMD).]

4. Highway Fund. All taxes and fines collected under this chapter must be credited to the Highway Fund, except that beginning July 1, 2009 the Treasurer of State shall deposit monthly into the TransCap Trust Fund established in Title 30-A, section 6006-G 7.5% of the excise tax imposed under subsection 1-B.

[PL 2009, c. 496, §19 (AMD).]

5. Allowance for certain losses of undyed distillates. An allowance of not more than 1/4 of 1% from the amount of undyed distillates received by a licensed supplier, plus 1/4 of 1% on all transfers in vessels, tank cars or full tank vehicle loads by the licensed supplier in the regular course of business from one of the licensed supplier's places of business to another of the licensed supplier's places of business within the State, may be allowed by the assessor to cover the loss through shrinkage, evaporation or handling sustained by the licensed supplier. The total allowance for these losses must be supported by documentation satisfactory to the assessor and may not exceed 1/2 of 1% of the receipts by the licensed supplier. The allowance must be calculated on an annual basis. A further deduction may not be allowed unless the assessor is satisfied upon definite proof submitted to the assessor that a further deduction should be allowed for a loss sustained through fire, accident or some unavoidable calamity.

[PL 2013, c. 381, Pt. B, §33 (AMD).]

6. Allowance for certain losses of propane. An allowance of not more than 1% from the amount of propane received by the retailer may be allowed by the assessor to cover the loss through shrinkage, evaporation or handling sustained by the retailer. The total allowance for these losses must be supported

by documentation satisfactory to the assessor. The allowance must be calculated on an annual basis. A further deduction may not be allowed unless the assessor is satisfied upon definite proof submitted to the assessor that a further deduction should be allowed for a loss sustained through fire, accident or some unavoidable calamity.

§3203-C. Inventory tax

On the date that any increase in the rate of tax imposed under this chapter takes effect, an inventory tax is imposed upon all distillates that are held in inventory by a supplier, wholesaler or retail dealer as of the end of the day prior to that date on which the tax imposed by section 3203, subsection 1-B has been paid. The inventory tax is computed by multiplying the number of gallons of tax-paid fuel held in inventory by the difference between the tax rate already paid and the new tax rate. Suppliers, wholesalers and retail dealers that hold such tax-paid inventory shall make payment of the inventory tax on or before the 15th day of the next calendar month, accompanied by a form prescribed and furnished by the State Tax Assessor. In the event of a decrease in the tax rate, the supplier, wholesaler or retail dealer is entitled to a refund or credit, which must be claimed on a form designed and furnished by the assessor. §3204. Licenses

Every person operating as a supplier, wholesaler or retailer in the State shall file an application for a certificate with the State Tax Assessor on forms prescribed and furnished by the assessor. A person may not sell or distribute special fuel until the certificate is furnished by the assessor and displayed as required by this section. One copy of the certificate, certified by the assessor, must be displayed in each place of business of the person. If the assessor has reasonable cause to believe that the person has ceased to do business or that the person has violated this chapter or rules adopted under this chapter or has failed to appear in court for any violation of this chapter, the assessor may on reasonable notice to the person suspend the person's certificate until satisfied to the contrary. A person whose certificate has been suspended may not act as a supplier, wholesaler or retailer until the certificate is restored by the assessor. Suspended certificates must be surrendered to the assessor upon request. The suspension is reviewable in accordance with section 151. [PL 2009, c. 434, §52 (AMD).]

§3204-B. Dyed fuel; prohibition on highway use

1. Generally. Except as provided in subsection 2, a person may not operate a motor vehicle on the public ways of this State or allow a motor vehicle to be operated on the public ways of this State if the fuel supply tanks of the vehicle contain dyed fuel or other fuel on which the tax imposed by section 3203 has not been paid. For purposes of this subsection, there is a rebuttable presumption that the owner of a motor vehicle has operated the motor vehicle or allowed the motor vehicle to be operated on the public ways of this State with dyed fuel or other fuel when the tax imposed by section 3203 has not been paid by the owner of the motor vehicle.

[PL 1995, c. 639, §10 (AMD).]

2. Exceptions. The following motor vehicles are not subject to the prohibition provided in subsection 1:

A. Motor vehicles owned and operated by this State or any political subdivision of this State; and
[PL 1995, c. 271, §7 (NEW).]

B. Motor vehicles authorized to use dyed fuel on the public ways of this State under the provisions of the Code, section 4082 or rules adopted under the Code. [PL 1995, c. 271, §7 (NEW).]
[PL 1995, c. 271, §7 (NEW).]

3. Penalty. A person who violates the prohibition provided in subsection 1 commits a Class D crime and is subject to a fine of not less than \$1,000, which may not be reduced. Refusal to permit inspection pursuant to section 3219-A in order to enforce the provisions of this section constitutes prima facie evidence that the tank or container in question contains dyed fuel.

[PL 1995, c. 271, §7 (NEW).]

4. Venue. A violation of this section is deemed to have been committed in part at the principal office of the assessor. Prosecution under this section may be in the county where the act to which the proceeding relates occurred or in Kennebec County.

§3206. Licenses; users

It is unlawful for any user to use or consume any special fuel within this State, unless that user is the holder of an uncanceled license issued by the State Tax Assessor. To produce that license, every user shall file with the State Tax Assessor an application in such form as the State Tax Assessor may prescribe, setting forth the name and address of the user. Any unlicensed user who purchases a fuel use identification decal, as required by Title 29-A, section 525, must be registered by the State Tax

Assessor and subject to this chapter and chapter 461. [PL 1995, c. 65, Pt. A, §147 (AMD); PL 1995, c. 65, Pt. A, §153 (AFF); PL 1995, c. 65, Pt. C, §15 (AFF).]

In the event that any application for a license to use special fuel as a user in this State shall be filed by any person whose license shall at any time theretofore have been canceled for cause by the State Tax Assessor, or in the case the State Tax Assessor shall be of the opinion that the application is not filed in good faith or that the application is filed by some person as a subterfuge for the real person in interest whose license or registration shall theretofore have been canceled for cause by the State Tax Assessor or in the case where the taxpayer failed to appear in court for any violation of this chapter, then and in any of those events the State Tax Assessor, after a hearing of which the applicant shall have been given 5 days' notice in writing and in which the applicant shall have the right to appear in person or by counsel and present testimony, shall have the right and authority to refuse to issue to the person a license certificate in this State. [PL 1983, c. 94, Pt. D, §6 (NEW).]

The application in proper form having been accepted for filing, and the other conditions and requirements of this section having been complied with, the State Tax Assessor shall issue to that user a license certificate and the license shall remain in full force and effect until canceled as provided in this chapter. [PL 1983, c. 94, Pt. D, §6 (NEW).]

The license certificate so issued by the State Tax Assessor shall not be assignable and shall be valid only for the user in whose name issued. [PL 1983, c. 94, Pt. D, §6 (NEW).]

Every licensed user shall remit tax on all special fuels purchased and not used for heating, industrial use or for off-highway use, when the special fuel has not been subjected to the special fuel tax. [PL 1983, c. 94, Pt. D, §6 (NEW).]

§3208. Credit; users

Every user subject to the tax imposed by section 3203 is entitled to a credit on the tax, equivalent to the then current rate of taxation per gallon imposed by section 3203, on all special fuel purchased by that user from a supplier or retailer licensed in accordance with section 3204 upon which the tax imposed by section 3203 has been paid. Evidence of the payment of that tax, in a form required by or satisfactory to the State Tax Assessor, must be furnished by each user claiming the credit. When the amount of the credit to which any user is entitled for any quarter exceeds the amount of the tax for which that user is liable for the same quarter, the excess may be allowed as a credit on the tax for which that user would be otherwise liable for another quarter or quarters. Upon application to the assessor, the excess may be refunded if the applicant has paid to another state or province under a lawful requirement of that jurisdiction a tax similar in effect to the tax imposed by section 3203 on the use or consumption of that fuel outside the State, at the same rate per gallon that tax was paid in this State, but in no case to exceed the then current rate per gallon of the tax imposed by section 3203. Upon receipt of the application the assessor, if satisfied after investigation that a refund is justified, shall so certify to the State Controller. The refund must be paid out of the Highway Fund. This credit lapses at the

end of the last quarter of the year following that in which the credit arose. [PL 2019, c. 379, Pt. B, §9 (AMD).]

Interest is paid at the rate established pursuant to section 186, calculated from the date of receipt of the claim for all valid refund claims that are not paid within 30 days of receipt of the claim. [PL 2007, c. 438, §78 (AMD).]

§3208-A. Refund to government agencies and political subdivisions

Any government agency that buys and uses special fuel and that has paid a tax as provided by this chapter on that fuel is eligible for reimbursement in the amount of the tax paid. By contractual agreement, a government agency may assign to another person its right to receive funds under this section. A refund application on a form prescribed by the State Tax Assessor must be filed to claim a refund pursuant to this section. Applications for refunds must be filed with the assessor within 12 months from the date of purchase. For the purposes of this section, "government agency" means the State, or any political subdivision of the State, or the Federal Government. [PL 2017, c. 211, Pt. B, §8 (AMD).]

§3209. Reports; International Fuel Tax Agreement; payment of tax; allowance for losses

1. Suppliers and wholesalers. Every licensed supplier and wholesaler shall file on or before the last day of each month a return with the State Tax Assessor stating the gross gallons of distillates received, sold and used in this State by that licensed supplier or wholesaler during the preceding calendar month, on a form prescribed and furnished by the assessor. The return must include any further information reasonably required by the assessor. At the time of filing the return required by this subsection, each licensed supplier or wholesaler must pay to the assessor a tax as prescribed in section 3203 upon each gallon reported as a taxable sale or as taxable gallons used. [PL 2009, c. 434, §54 (AMD).]

1-A. Retailers. Every licensed retailer shall file on or before the last day of each month a return with the assessor stating the gross gallons of low-energy fuel received, sold and used in this State by that retailer during the preceding calendar month on a form prescribed and furnished by the assessor. The return must include any further information reasonably required by the assessor. At the time of filing the return required by this subsection, each retailer shall pay to the assessor a tax as prescribed in section 3203 upon each gallon reported as a taxable sale or as taxable gallons used. [PL 2007, c. 438, §80 (AMD).]

1-B. International Fuel Tax Agreement. The State Tax Assessor shall enforce the IFTA governing documents and take all steps necessary to maintain the State's membership in the IFTA, in order to:

- A. Facilitate the administration of this chapter; [PL 2001, c. 396, §30 (NEW).]
- B. Promote the fullest and most efficient possible use of the highway system; and [PL 2001, c. 396, §30 (NEW).]
- C. Make uniform the administration, collection and enforcement of special fuel use taxation laws with respect to motor vehicles operated in multiple jurisdictions by ensuring this State's full

participation in the single-base jurisdiction system embodied in the IFTA governing documents. [PL 2011, c. 644, §12 (AMD).]

If a provision of chapter 7 or this chapter is inconsistent with the IFTA governing documents, the IFTA governing documents prevail for purposes of this chapter except when prohibited by the Constitution of Maine or the United States Constitution. The assessor is authorized to ratify amendments to the IFTA governing documents on behalf of this State, except that the assessor may not ratify any provision that infringes on the substantive taxation authority of the Legislature, including the power to impose taxes, set tax rates and determine exemptions. The assessor may by mutual agreement with the Secretary of State delegate to the Secretary of State the assessor's responsibilities under this subsection, as well as the responsibility for the audit, assessment and processing of IFTA special fuel tax returns, IFTA special fuel tax collection, the administrative appeal of IFTA special fuel tax assessments and compliance with IFTA administrative requirements. Notwithstanding section 151, if the administrative appeal of IFTA special fuel tax assessments has been delegated to the Secretary of State, such appeals must be taken under Title 29-A, section 111 and the Maine Administrative Procedure Act. For purposes of this Title and Title 29-A, an IFTA special fuel tax assessment is considered final and subject to demand and enforced collection under this Title and Title 29-A if the tax assessed has not been paid by its due date and no further administrative or judicial review is available pursuant to this Title or Title 29-A.

[PL 2011, c. 644, §12 (AMD).]

2. Users generally. Except as provided by subsection 4, each user, not later than the last day of April, July, October and January of each year, shall file with the assessor a return that must include the total gallonage of fuels used within this State during the quarter ending the last day of the preceding month. The return must include any further information reasonably required by the assessor. At the time of filing the return required by this subsection, each user shall pay to the assessor the tax imposed by section 3203 upon each gallon reported as a taxable use or as taxable gallons used, which has not been subjected to the special fuel tax.

[PL 2007, c. 438, §80 (AMD).]

3. Exempt users. Any user of special fuel operating exclusively within this State and using only special fuel purchased within this State upon which the State has received the special fuel tax, may be exempted, at the discretion of the assessor, from filing returns under this chapter. Any user of special fuel requesting exemption from filing returns shall submit an affidavit as prescribed by the assessor.

[PL 2007, c. 438, §80 (AMD).]

4. Annual returns in certain circumstances. Notwithstanding any other provisions of this section, a user may file an annual return with payment on or before January 31st of each year covering the prior year when the annual tax liability is expected to be \$100 or less or when allowed by the IFTA governing documents.

[PL 2001, c. 396, §30 (AMD).]

A person that receives special fuel under circumstances that preclude the collection of this tax by the supplier or retailer and that sells or uses that special fuel in this State is considered a supplier or

retailer and shall file a quarterly return on a form prescribed by the State Tax Assessor and is subject to the same taxes and all other provisions of this chapter relating to suppliers and retailers. A person may not be considered a supplier or retailer with respect to special fuel brought into the State in the ordinary standard equipment fuel tank attached to and forming a part of a motor vehicle and used in the operation of that vehicle within the State. If a person licensed or registered under this chapter files a false report of the information required by this chapter, or fails, refuses or neglects to file a return required by this chapter or to pay the full amount of the tax as required by this chapter, the State Tax Assessor may cancel the license or registration and give notice to that person of the cancellation. [PL 2009, c. 434, §56 (AMD).]

Upon receipt of a written request from a person licensed or registered under this chapter to cancel the license or registration issued to that person, the assessor may cancel that license or registration effective 30 days from the date of the written request, in which event the license or registration certificate issued to that person must be surrendered to the assessor. If the assessor determines that a person to whom a license or registration has been issued under this chapter is no longer engaged in the sale or use of special fuel and has not been so engaged for a period of 6 months, the assessor may cancel that license or registration by giving that person 30 days' notice of the cancellation, in which event the license or registration certificate issued to that person must be surrendered to the assessor. When a person ceases to engage in business as a supplier, wholesaler, retailer or user of special fuel within this State, that person shall notify the State Tax Assessor in writing within 15 days after discontinuance. All taxes, penalties and interest under this chapter become due and payable concurrently with that discontinuance. The person shall file a return and pay all the taxes, interest and penalties and surrender to the assessor the license or registration certificate issued to that person by the assessor. §3213. Refunds of taxes erroneously or illegally collected

If the State Tax Assessor determines that a tax or penalty imposed by this chapter has been erroneously or illegally collected from a user, that user is entitled to a refund of the amount that was erroneously or illegally collected. The refund must be paid to that user from the Highway Fund. [PL 2011, c. 240, §26 (AMD).]

A refund may not be made under this section unless a written claim stating the grounds upon which the refund is claimed in a form prescribed by the assessor is filed with the assessor within 3 years from

The tax paid on sales made on credit and reported by a licensed supplier, wholesaler or retailer pursuant to section 3209 that are found to be worthless and actually charged off may be credited upon the tax due on a subsequent return. If those accounts are subsequently collected by the licensed supplier, wholesaler or retailer, a tax must be paid upon the amounts so collected. The credit must be reported on the return for the month in which the charge-off occurred. [PL 2009, c. 434, §58 (AMD).]

§3215. Refund of taxes for certain common carriers

A person engaged in furnishing common carrier passenger service is entitled to reimbursement of the tax paid on special fuel used by that person in locally encouraged vehicles. For purposes of calculating reimbursement due pursuant to this section, special fuel used in a person's locally encouraged vehicles is presumed to bear the same proportional relationship to special fuel used in all of the person's passenger vehicles that the person's commutation fare revenue derived from service provided by locally encouraged vehicles bears to the person's total passenger fare revenue. "Commutation fare revenue" means revenue attributable to fares of 60¢ or less and fares paid for commutation or season tickets for single trips of less than 30 miles or for commutation tickets for one month or less. "Total passenger fare revenue" means all revenue attributable to the claimant's passenger operations. "Locally encouraged vehicles" means buses upon which no excise tax is collected under section 1483, subsection 13. [PL 2009, c. 598, §48 (AMD).]

Applications for refunds must be filed with the State Tax Assessor, on a form prescribed by the assessor, within 12 months from the date of purchase. A refund may not be issued under this section unless the claimant's commutation fare revenue derived during the period for which the refund is claimed is at least 60% of the claimant's total passenger fare revenue derived during that period. A person who purchases and uses special fuel for any use other than operation of a registered motor vehicle on the highways of this State, and who has paid the tax imposed by this chapter on that fuel, is entitled to reimbursement in the amount of the tax paid, less 1¢ per gallon, upon presenting to the State Tax Assessor a sworn statement accompanied by evidence as the assessor may require. The statement must show the total amount of special fuel so purchased and used by that person other than in the operation of registered motor vehicles on the highways of this State. [PL 2007, c. 438, §86 (AMD).]

A refund application on a form prescribed by the assessor must be filed to claim a refund pursuant to this section.
