

§13080-G. Bonds

1. Hearing required. The authority may issue bonds to finance its activities only after giving notice of the proposed issuance at least twice in a newspaper of general circulation in the county and holding a duly advertised public hearing on the issuance.

[PL 2003, c. 598, §3 (AMD).]

1-A. Credit of State pledged. The authority may ask the State to issue bonds to finance the undertaking of any authorized activity under this article, those bonds to have the full faith and credit of the State. Before any such bonds are issued they must be authorized by the Legislature and ratified by the electors in accordance with the Constitution of Maine, Article IX, Section 14. Subsections 1 and 2 and subsection 7, the 2nd 2 sentences, do not apply to bonds issued under this subsection.

[PL 1995, c. 495, §5 (NEW).]

2. Authority. In addition to the authority provided in subsection 1-A, the authority may issue bonds from time to time in its discretion to finance the undertaking of an authorized activity under this article, including but not limited to the payment of costs of acquisition, construction, reconstruction, renovation, equipping, start-up, testing, capitalized interest, reserves, reuse or improvement within the base undertaken by a person and the payment of principal and interest upon advances for surveys and plans, and may issue refunding bonds for the payment or retirement of bonds previously issued.

A. The principal, interest and all other amounts that may at any time become due and payable under the bonds must be made payable solely from the income, proceeds, revenues and funds of the authority derived from or held for activities under this article. Payment of the principal and interest of bonds may be further secured by a pledge of a loan, grant or contribution from the Federal Government or other source in aid of activities of the authority under this article or solely from income, proceeds, revenues, loan repayments, funds and other property, real or personal, pledged, assigned or mortgaged by or to the authority in connection with the provision of financial assistance by the authority to any person or any combination of the foregoing and by a mortgage of an urban activity or a project or part of a project, title to which is in the authority. [PL 2003, c. 598, §4 (AMD).]

B. Bonds issued under this section and paragraph do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction and are not subject to other laws or charters relating to the authorization, issuance or sale of bonds. Notwithstanding this paragraph, the authority may issue bonds in an original principal amount not to exceed \$100,000,000 to which the authority may designate section 13080-N to apply. Bonds issued under this article are declared to be issued for an essential public and governmental purpose and, together with interest on and income from the bonds, are exempt from all taxes. [PL 1995, c. 495, §7 (AMD).]

C. Bonds may not be issued by the authority until the authority has received a certificate of approval from the Finance Authority of Maine authorizing issuance of bonds. Before issuing a certificate of approval under this section, the Finance Authority of Maine shall determine that there is a reasonable likelihood that the income, proceeds, revenues and funds of the authority derived from or held for activities under this article or otherwise pledged to payment of the bonds will be sufficient to pay principal, interest and all other amounts that may at any time become due and payable under the bonds. In making this determination, the Finance Authority of Maine must consider the authority's analysis of the proposed bond issue and the revenues to make payments on the bond and may require such information, projections, studies and independent analyses as it considers necessary or desirable and may charge the authority reasonable fees and expenses. The issuance by the Finance Authority of Maine of a certificate of approval under this section does not constitute an endorsement of the bonds or the projects or purposes for which those bonds are issued and neither the authority nor any other person or entity, including, without limitation, any holders

of bonds of the authority, have any cause of action against the Finance Authority of Maine with respect to any such certificate of approval. The Finance Authority of Maine may require that it be indemnified, defended and held harmless by the authority for any liability or cause of action arising out of or with respect to the bonds. [PL 2003, c. 598, §4 (AMD).]

D. Bonds may be issued by the authority only to finance projects that are substantially located within Aroostook County. [PL 2003, c. 598, §4 (NEW).]

[PL 1993, c. 474, §1 (NEW).]

6. Bond recitation; conclusive presumptions. In actions or proceedings involving the validity or enforceability of a bond issued under this article or the security for that bond, a bond reciting in substance that it has been issued by the authority in connection with an activity is conclusively deemed

to have been issued for that purpose and the activity is conclusively deemed to have been planned, located and carried out in accordance with this article.

[PL 1993, c. 474, §1 (NEW).]

Neither the trustees of the authority nor the person executing the bonds is liable personally on the bonds by reason of the issuance of the bonds. The bonds and other obligations of the authority must have stated on their face that they are not a debt of the State and that the State is not liable on the bonds. The bonds or obligations may not be payable out of funds or properties other than those of the authority acquired for the purposes of this article or otherwise pledged therefor.

These bonds or other obligations are authorized security for all public deposits. It is the purpose of this section to authorize persons, political subdivisions and officers, public or private, to use funds owned or controlled by them for the purchase of these bonds or other obligations. This section does not relieve a person of any duty or of exercising reasonable care in selecting securities.

[PL 1993, c. 474, §1 (NEW).]

9. Investment of funds; redemption of bonds. The authority may:
