A. An animal history that includes:
(1) For sellers licensed with the United States Department of Agriculture, the name, address and United States Department of Agriculture license number of the breeder and any broker who has had possession of the animal. For sellers licensed with the State, the name, address of the seller and the license number issued under section 3931-A, 3933 or 4163;

(2) The date of the animal's birth;

(3) The date the seller received the animal if the animal was not born on the seller's premises;

(4) The breed, sex, color and identifying marks of the animal. If the breed is unknown or mixed, that fact must be stated;

(5) The individual identifying tag, tattoo, microchip identification number or collar number;

(6) For pure bred animals that are advertised as eligible for registration, the name and registration number of the sire and dam and, if available, the litter number; and

C. A seller who represents an animal as eligible for registration with an animal pedigree organization shall provide the retail purchaser with a notice stating that pedigree registration does not assure health or quality of an animal; and [PL 2007, c. 702, §23 (AMD).]

D. The seller shall indicate whether or not, to the seller's knowledge, the animal or its sire or dam is registered with, and whether the animal is certified by any organization that maintains a registry pertaining to congenital or hereditary problems and explain the meaning of these terms. [PL 2007, c. 702, §23 (AMD).]

[PL 2009, c. 403, §9 (AMD).]

2. Optional disclosure. The seller may provide the purchaser with a list of congenital or hereditary problems that are known to affect the breed being purchased and a list of any health problems for which the seller does not warranty the animal.

[PL 2007, c. 702, §23 (AMD).]

3. Disclosure procedures. The following disclosure procedures must be followed.

A. The disclosure required by subsection 1 must be made part of the statement of consumer rights set forth in section 4160. [PL 1995, c. 589, §1 (NEW).]

B. The written disclosure made pursuant to this section must be signed by both the seller certifying the accuracy of the statement and by the purchaser of the animal acknowledging receipt of the statement. [PL 2007, c. 702, §23 (AMD).]

C. The seller shall make a prospective purchaser aware that the purchaser may see this information prior to purchase. [PL 2007, c. 702, §23 (AMD).]

[PL 2007, c. 702, §23 (AMD).]

SECTION HISTORY

§4152-A. Documents necessary for breed registration
1. **Requirement to provide.** A seller who states, promises or represents that an animal is registered or capable of registration with an animal pedigree organization shall provide the purchaser with the documents necessary for registration at the time of sale or within 90 days of the sale unless specified otherwise in a contractual agreement signed by the purchaser.

[PL 2009, c. 403, §10 (NEW).]

2. **Process to acquire documentation.** If the purchaser does not receive the necessary documents within the time period specified in subsection 1, the purchaser may send a written request for the documents to the seller via certified mail. Within 60 days of receiving the request, the seller must deliver the documents directly or send them by certified mail to the purchaser.

[PL 2009, c. 403, §10 (NEW).]

3. **Failure to provide documentation; resolution.** If the seller fails to provide the necessary documents in accordance with subsection 2, the purchaser is entitled to a partial refund of 50% of the purchase price. Upon payment of the refund, a seller is absolved of the requirement to provide the documents necessary for breed registration. Acceptance of the registration papers by the purchaser outside of the required time period waives the purchaser's right to a partial refund.

[PL 2009, c. 403, §10 (NEW).]

**SECTION HISTORY**

PL 2009, c. 403, §10 (NEW).

§4153. Sale prohibited

1. **Animal with disease, illness or condition.** Notwithstanding section 4152, a seller may not sell an animal that has any obvious clinical sign of infectious, contagious, parasitic or communicable disease or abnormality or has any disease, illness or condition that requires hospitalization or nonelective surgical procedures.

[PL 2019, c. 544, §7 (NEW).]

2. **Wolf hybrid.** A seller may not sell a wolf hybrid.

[PL 2019, c. 544, §7 (NEW).]

3. **Pet shop.** Except as provided in this subsection, a pet shop as defined in section 3907, subsection 23 may not offer an animal for sale.

A. A pet shop may provide space to an animal rescue entity to offer to the public animals for adoption for an adoption fee, as long as the pet shop does not have any ownership interest in the animals offered for adoption and does not receive any fee for providing space or for the adoption of any of the animals. [PL 2019, c. 544, §7 (NEW).]

B. A pet shop that lawfully offered animals for sale on the effective date of this paragraph may continue to offer animals for sale as long as the pet shop:

   1. Maintains a valid license under section 3933;
   2. Remains in the same ownership as existed on May 1, 2019; and
   3. Keeps for sale or offers for sale in any calendar year no greater a number of animals than were kept for sale or offered for sale by the pet shop in calendar year 2018.

In order to qualify for the exception allowed under this paragraph, a pet shop must provide to the department, in a form and manner prescribed by the department, documentation of the ownership of the pet shop on May 1, 2019 as well as the number of animals offered for sale in 2018 and annually thereafter. For purposes of this paragraph, "remains in the same ownership" means a static state of ownership in which no ownership interest changes after May 1, 2019, except, in the case of a pet shop that on May 1, 2019 was owned by a family, a transfer of an ownership interest to the spouse, domestic partner or one or more children of the oldest member of the family holding an
ownership interest on May 1, 2019. For purposes of this paragraph, "family" means one person or a group of people whose relationship to the oldest person in the group is either spouse, domestic partner or child. In order to maintain a valid license, the pet shop must provide to the department, in a form and manner prescribed by the department, documentation of any transfer of ownership under this paragraph. If there is ambiguity as to whether a pet shop remains in the same ownership, the pet shop does not satisfy the requirements of subparagraph (2). [PL 2019, c. 544, §7 (NEW).]

4. Penalties. A person who violates subsection 3 commits a civil violation for which a fine of $500 may be adjudged and is subject to the suspension or revocation of the person's pet shop license pursuant to section 4162, subsection 2. Each offer for sale of an animal in violation of subsection 3 constitutes a separate violation. [PL 2019, c. 544, §7 (NEW).]

SECTION HISTORY

§4155. Rights of the purchaser

1. Unfit for sale. If, within 10 days after receipt of the animal by the purchaser, a veterinarian states in writing that the animal has a health problem that existed in the animal at the time of delivery or if, within one year after receipt of the animal by the purchaser, a veterinarian states in writing that due to a hereditary or congenital defect the animal has died or has a condition that will shorten its life or will require constant treatment during its life, the animal is considered to have been unfit for sale at the time of sale. [PL 1995, c. 589, §1 (NEW).]

2. Death; remedies. When an animal dies due to a health problem that would have rendered the animal unfit for sale pursuant to subsection 1, and that health problem existed in the animal at the time of delivery to the purchaser but was not disclosed under the provisions of section 4152, the seller shall provide the purchaser with one of the following remedies selected by the purchaser:

   A. An animal of equal value, if available; or [PL 1995, c. 589, §1 (NEW).]

3. Health problem; remedies. When an animal has a health problem that renders the animal unfit for sale pursuant to subsection 1, and that health problem existed in the animal at the time of delivery to the purchaser but was not disclosed under the provisions of section 4152, the seller shall provide the purchaser with one of the following remedies selected by the purchaser:

   A. Return of the animal to the seller for a refund of the full purchase price of the animal; [PL 2007, c. 702, §26 (AMD).]
   B. Exchange of the animal for an animal of the purchaser's choice of equivalent value, if a replacement is available; [PL 2019, c. 90, §1 (AMD).]
   C. Retainment of the animal and reimbursement for 1/2 of the reasonable veterinary fees not to exceed 1/2 of the original purchase price of the animal; or [PL 2019, c. 90, §1 (AMD).]
D. For an animal with less than one year of life expectancy, as determined by a veterinarian pursuant to subsection 1, retention of the animal and a full refund of the original purchase price of the animal. Reimbursement of veterinary fees by the seller is not required under this paragraph.
[PL 2019, c. 90, §2 (NEW).]

4. Veterinary service; fees. The fee for veterinary service is reasonable if the service is appropriate for the diagnosis and treatment of the health problem and the fee for the service is comparable to fees charged by other veterinarians who are in proximity to the treating veterinarian.
[PL 1995, c. 589, §1 (NEW).]

5. Sellers not exempt. Sellers may not, contractually or otherwise, exempt themselves from the remedies provided by this section for deaths or health problems in animals caused by infectious, contagious, parasitic or communicable disease or for deaths or health problems in animals caused by hereditary or congenital defects as described in subsection 1.

[PL 2007, c. 702, §28 (AMD).]

2. Refund. If the purchaser wishes to receive a full refund for the animal, the purchaser must return the animal no later than 2 business days after receipt of a written statement from a veterinarian indicating that the animal is unfit due to a health problem. With respect to a dead animal, the purchaser must provide the seller with a written statement from a veterinarian indicating that the animal died from a health problem that existed on or before the receipt of the animal by the purchaser. This subsection does not apply to a refund requested pursuant to section 4155, subsection 3, paragraph D.
[PL 2019, c. 90, §4 (AMD).]

The veterinarian designated by the seller must be practicing at a veterinary clinic within 100 miles of the purchaser's residence. The seller shall pay the cost of this examination or autopsy.
