In addition, applications for approvals required in subsection 1 by foreign banks are subject to the following additional criteria:

A. The foreign bank or foreign bank holding company engages in the banking business outside of the United States and is subject to comprehensive supervision or regulation on a consolidated basis by the appropriate authorities in its home country, or the superintendent finds that the appropriate authorities in the home country of the foreign bank are actively working to establish arrangements for the consolidated supervision of such bank; and [PL 1997, c. 182, Pt. A. If the assets of the company being acquired are less than 15% of the financial institution holding company's total consolidated assets and the company being acquired is not a financial institution or financial institution holding company, approval or notice is not required. B. If the assets of the company being acquired are between 15% and 50% of the financial institution holding company's total consolidated assets, the financial institution holding company must notify the superintendent at least 10 days prior to consummating the transaction. The superintendent may require that an application be filed pursuant to section 252 if the following conditions are not satisfied and, based on a preliminary analysis, the superintendent concludes that the transaction may have a material adverse effect on the financial condition of the financial institution holding company and its ability to act as a source of strength to the Maine financial institution:

(1) Before and immediately after the proposed transaction, the acquiring Maine financial institution and financial institution holding company are well capitalized, as determined by the superintendent; and
